INSTRUCTIONS FOR 2007-2008 APPLICATION FOR UNDERGRADUATE RE-ADMISSION

If you attended The University of Arizona as a degree-seeking student in the past, and have missed at least one semester without taking a formal leave of absence, this is the correct application for you. If you are an international student who meets this description, there is a separate re-admission application for you. Go to admissions.arizona.edu/form/Int_Readmission or call 520.621.3111.

If you enrolled for the last semester, then withdrew from The University of Arizona and received grades of WP or WF, or did not receive a 100 percent refund, you are eligible to register for classes for the next semester without being re-admitted.

If you enrolled for the last semester as a continuing UA student, then dropped all of your classes prior to the 100 percent refund period, and no class registration or grades appear on your record for that semester, this is the correct application for you.

If last semester was the first semester of your enrollment at UA, and you dropped all of your classes prior to the 100 percent refund period and no class registration or grades appear on your record for that semester, this is not the correct application for you. You need to submit a regular degree-seeking application. Go to admissions.arizona.edu/apply or call 520.621.3237.

If your only enrollment at The University of Arizona has been as a non-degree seeking, a graduate student, or a continuing education student, this is not the correct application for you. You should fill out the regular degree-seeking application. Go to admissions.arizona.edu/apply or call 520.621.3237.

Re-admission Deadlines for Spring 2007 Through Spring 2008

Good standing
If you left The University of Arizona in good standing (with a GPA of 2.000 or above), the deadlines for re-admission are:

<table>
<thead>
<tr>
<th>Semester</th>
<th>Deadline</th>
</tr>
</thead>
<tbody>
<tr>
<td>Spring semester</td>
<td>November 1</td>
</tr>
<tr>
<td>Summer I</td>
<td>May 1</td>
</tr>
<tr>
<td>Summer II</td>
<td>June 1</td>
</tr>
<tr>
<td>Fall semester</td>
<td>August 1</td>
</tr>
</tbody>
</table>

To meet the admission deadline, all of your transcripts and your application must be received in the Office of Admissions by the appropriate deadline. If the deadline falls on a non-business day, the deadline is extended through the next business day.

Probation or disqualification
If you left The University of Arizona on academic probation or disqualification (with a GPA less than 2.000), or if you do not know your academic status, the deadlines for re-admission are:

<table>
<thead>
<tr>
<th>Semester</th>
<th>Deadline</th>
</tr>
</thead>
<tbody>
<tr>
<td>Spring semester</td>
<td>October 1</td>
</tr>
<tr>
<td>Summer I &amp; II</td>
<td>April 1</td>
</tr>
<tr>
<td>Fall semester</td>
<td>June 1</td>
</tr>
</tbody>
</table>

To meet the admission deadline, all of your transcripts and your application must be received in the Office of Admissions by the appropriate deadline. If the deadline falls on a non-business day, the deadline is extended through the next business day.

Processing time
Re-admission applications are processed on a first-in, first-out basis.

If you left in good standing, you can expect the process to take four to six weeks from the time we receive your complete application. This time frame may increase during our peak processing time.

If you left on academic probation or disqualification, you can expect the process to take up to 12 weeks. It takes longer because the Office of Admissions does not make re-admission decisions for students who did not leave in good academic standing. We process your application, then forward it to the college of your choice. The college will notify the Office of Admissions when a decision has been made. From there, the Office of Admissions will notify you. Please refrain from contacting the college or department directly.
Required transcripts
It is your responsibility to have official transcripts sent directly to the Office of Admissions, at the address on the cover of this application, from each institution that you have attended since leaving The University of Arizona. Your application will be reviewed only after all transcripts and other required materials have been received.

If you are currently enrolled at another institution, do not wait until you have finished course work to send a transcript. The Office of Admissions requires you to send transcripts with all but your final or current semester grades.

Example: You want to enroll in the fall semester of 2007. The Office of Admissions requires you to submit transcripts from all institutions attended through the fall semester of 2006.

If you contact a UA college dean or advisor, he or she may ask you to send your grades for the semester in progress before making a re-admission decision. Do not wait to send your transcript for courses that are completed. If you don’t send the required transcripts, you will not meet the admission deadline and will not be considered for the desired semester. Once you complete the semester in progress, have your transcript sent again.

GPA calculations for re-admission purposes
The Office of Admissions calculates your GPA from the time of your last enrollment at The University of Arizona.

Example: If your last semester at UA was fall 2004, your GPA will be calculated beginning with course work completed in the spring 2005. If you attended more than one institution, a cumulative GPA from all schools attended will be calculated.

All college-level grades are used to calculate your GPA, including any courses repeated for a better grade.

Example: If you received a grade of “F” for a course at another institution, repeated it and received a “B,” both grades will be used to calculate your re-admission GPA.

We do not include workshops, seminars, or certain technical courses in the calculation since these courses are not transferable.

Evaluation of transfer credit
For students in good standing, evaluation of transfer credit takes place at the time of re-admission. For those students on probation or disqualification, evaluation takes place at the time we submit your application to the college of your choice. The college representatives use this information to help them make a decision. You will receive notification of your transfer credit if/when you are re-admitted.

Will I be re-admitted?
If you left in good standing, you will be readmitted by the Office of Admissions providing you have maintained a cumulative GPA of 2.0 from all institutions attended since leaving The University of Arizona.

If your cumulative GPA is below 2.0, your name/file will be forwarded to the college for its recommendation.

If you left on academic probation or disqualification, you need to contact the college of your choice to obtain its criteria for readmission. All admission decisions will be made by the college. Generally, students are expected to apply after completing 24 units of transferable college course work with a cumulative grade point average of 3.000 or higher.

Domicile information
The domicile information section on the back side of the application for re-admission must be completed in order for your application to be processed. This is regardless of your residency status at the time you last attended UA. You may be required to complete and submit a Domicile Affidavit (registrar.arizona.edu/forms/DomicileAffidavit.pdf) to the Residency Classification Office, if your residency status remains unclear.

Application processing fee
Arizona residents are required to pay a $25 application processing fee; non-Arizona residents pay a $65 application processing fee. This fee is nontransferable and nonrefundable. Please make your check or money order payable to The University of Arizona and submit your processing fee with your application. Your application will not be considered complete without an application processing fee and all other required materials.
