THE UNIVERSITY
OF ARIZONA®

Freshman and transfer application checklist

This application packet is for freshman and transfer applicants to The University of Arizona who are U.S. citizens or permanent residents. If you are applying for readmission to UA, or as a non-degree-seeking student, or as an international student, this is not the correct application for you. Please go to admissions.arizona.edu/apply to apply using the appropriate application.

A complete application for a freshman or transfer student MUST include:

- Completed online or paper application.
- Official transcript(s). Transcripts are official only if sealed in an envelope by your counselor or registrar. An official high school transcript must be submitted if you are under age 22 or if otherwise required. Transfer students: Official transcripts from all colleges and universities attended, even if credit was not established, must be submitted directly from those institutions. Students whose names have changed should ensure their current name is included on all transcripts.

Send transcript(s) to: Office of Admissions
The University of Arizona
PO Box 210073
Tucson AZ 85721-0073

- Official test scores for freshman applicants from the SAT Reasoning Test and/or the ACT. To submit your scores electronically, write code 4832 (SAT) or code 0096 (ACT) on the test reservation form. Scores posted on your official high school transcript are also acceptable. Applicants may be admitted without test scores, but scores need to be on file to be considered for scholarships or admission to The Honors College and for placement into foundation course work at New Student Orientation.
- Application processing fee of \$50 (Arizona resident) or \$65 (non-Arizona resident) or an eligible fee waiver. This fee is nonrefundable and nontransferable.

If you are home-schooled, provide a transcript or portfolio of course work and SAT Reasoning Test or ACT scores.

If you have earned a GED certificate, provide official GED test results.

Application deadlines

Freshman application deadlines

Summer sessions — May 1

Fall semester — May 1

Spring semester — November 1

Apply for admission and financial aid as early as possible during your senior year of high school. Applications submitted or completed after the applicable deadline may not be considered. Apply for housing, orientation, and summer programs immediately after admission. Your future housing assignment will be based on your housing application date and other factors, not on your UA admission date.

Transfer application deadlines

Summer sessions — May 1

Fall semester — June 1

Spring semester — November 1

Apply one semester before you intend to enroll. Applications submitted or completed after the applicable deadline may not be considered. Application deadlines for specific majors may be earlier. We encourage you to contact appropriate departments or visit their Web sites for more specific information about application deadlines and/or additional admission requirements.

Visiting UA

We know that one visit can make all the difference! We encourage you to visit the UA and learn firsthand what it is like to live and study here. We offer a variety of options for you to experience our dynamic and diverse campus, including student-led campus tours; Class Cats, the program that puts you in real UA classes with a current student host; and UA Up Close, our comprehensive daylong, on-campus academic overview and UA community open house. Student-led tours are generally

offered twice a day on weekdays and once on Saturdays. Class Cats requires a four week notice in order to pair you with a student host. UA Up Close programs are held on designated days throughout the year. Reservations are required and can be made at admissions.arizona.edu/visit. For more information, call the Office of Admissions at 520.621.3237. We look forward to welcoming you on campus soon!

College majors and contacts

Identify the undergraduate major you wish to pursue at The University of Arizona and indicate your intended college and major in question 30 on page 10 of your application. Be sure to review the entire page to determine the major that most appropriately matches your interest(s). Read college headings and major-related footnotes to learn more about possible additional requirements for your major and to avoid delays in processing your application.

Engineering

engineering.arizona.edu

520.621.6032

FRESHMAN: The College of Engineering reviews applications of interested students. We use the following criteria to assess applicants for admission:

- math and composite scores for SAT or ACT (test scores required)
- academic GPA, class rank
- rigor of high school courses (honors and AP/IB classes)
- performance in math and science classes
- participation in engineering/science camps, clubs, classes
- personal essay

Admitted engineering students will be identified as No Major Selected (undecided) Engineering. Prior to Orientation, students who have demonstrated strong academic progress will have the opportunity to select their engineering major. Others will remain as No Major Selected for at least their first semester. Please refer to the College of Engineering website for additional information on admission.

TRANSFER: To be considered for admission to engineering, applicants must have a recalculated minimum GPA of 2.5 or higher and transferable Calculus I credit. The GPA is recalculated on coursework applicable to the engineering curriculum.

Aerospace Engineering

Biomedical Engineering

Biosystems Engineering

Chemical Engineering

Civil Engineering

Electrical and Computer Engineering

Optical Sciences & Engineering

Systems Engineering

Medicine

physiology.arizona.edu

520.621.4850

Students are admitted as pre-physiology majors. Admission to the major, which generally occurs after the second year, is selective.

Physiology (Pre-Physiology)

Nursing

nursing.arizona.edu

520.626.3808

All Nursing students are admitted to the college at the pre-professional level. An additional, highly-competitive, application and interview are required prior to the junior year for admission to the professional program. The application requires that students have strong grades in math and science coursework.

Pre-Professional Nursing

Pharmacy

pharmacy.arizona.edu

520.626.1427

Students are admitted as pre-pharmacy majors and apply to the College of Pharmacy after completing prerequisite courses.

Pharmacy (Pre-Pharmacy)

Public Health

publichealth.arizona.edu

520.626.3200

Students are admitted as pre-public health majors. Admission to the major, which generally occurs after the second or third year, is selective.

Public Health (Pre-Public Health)

UA South

uas.arizona.edu

520.458.8278, ext. 2120 (Sierra Vista)

520.626.1702 (Tucson)

520.364.4146 (Douglas)

520.394.4400 (Nogales)

UA South is a branch campus. Upper-division courses and programs are offered at the Pima CC East Campus, UA Science and Tech Park, in Douglas, Nogales, and at the Sierra Vista Campus.

UA South has unique degree programs (listed below) but also offers degrees in cooperation with the Colleges of Humanities, Science, and Social and Behavioral Sciences.

Unique UA South majors:

Applied Science

Commerce

Elementary Education

1. Art – Admission to the School of Art is competitive and requires an application to the College of Fine Arts in addition to this UA application. Studio Art requires the submission of a portfolio.

2. Dance – Admission to the School of Dance is highly competitive and requires an application to the College of Fine Arts in addition to this UA application. Dance requires an audition.

3. Music – Admission to the School of Music is competitive and requires an application to the College of Fine Arts in addition to this UA application. Most Music programs require an audition. All Music programs require proficiency in reading music. Admission to the BM program in Composition will not occur before the sophomore year.

4. Theatre, Film and Television – Admission to the School of Theatre, Film and Television is competitive and requires an application to the College of Fine Arts in addition to this UA application. Acting and Musical Theatre is highly competitive and requires an audition. Admission to the BFA program in Film & Video Production will not occur before the sophomore year.

4. Theatre, Film and Television – Admission to the School of Theatre, Film and Television is competitive and requires an application to the College of Fine Arts in addition to this UA application. Acting and Musical Theatre is highly competitive and requires an audition. Admission to the BFA program in Film & Video Production will not occur before the sophomore year.

Freshman Admission Guidelines

Our Promise – A Comprehensive Review

The admissions team at The University of Arizona realizes that personal excellence can and should be evaluated by more than just academic achievement. Through our Comprehensive Review process, we are expanding access to students who will bring unique life experiences and personal achievements to our campus community.

Admission and scholarship award decisions are driven by comprehensive review. Every application may be reviewed by up to two different reviewers before a final decision is made. This process allows us to consider more than a student's academic profile. Factors such as class rank, strength of curriculum, performance in curriculum, grade point average in required core academic courses, and ACT and/or SAT test scores will be considered. Other factors may include leadership, service, work experience and extracurricular activities; personal characteristics, attributes, and talents; and the ability to benefit from and contribute to a diverse and challenging learning environment. We are interested in learning much more about the student's preparedness, motivation, and potential in the unique context of their experience. The inclusion of a short answer, personal narrative section to the UA application gives prospective students the opportunity to include unique life experiences and personal achievements in their application file. Through this process, we are making more comprehensive and individualized admission and scholarship decisions.

In recognition of the high level of academic aptitude and course work competency demonstrated by many Arizona students who seek admission to UA, we also offer Assured Admission. Students may earn admission to UA through the Assured Admission process if they are an Arizona resident, attend a regionally accredited high school, rank in the top 25 percent of their graduating class, and have no course work deficiencies as prescribed by the Arizona Board of Regents (see table on page 6).

Merit-based Aid: More than \$24 million in scholarship aid from private donors, corporations and institutional sources is awarded annually. For information on scholarship opportunities, go to financialaid.arizona.edu/scholarships

Need-based Aid: File your Free Application for Federal Student Aid (FAFSA) to receive consideration for need based grants, scholarships, work, and loans. To be considered for the widest possible array of need based aid, submit your FAFSA by March 1st, the UA's priority deadline.

File your FAFSA at www.fafsa.ed.gov
Remember to include the UA school code: 001083.

Financial Aid Estimator:

Use this web-based tool to help you see how financial aid can make the dream of a university education an affordable reality.

Go to:

<http://financialaid.arizona.edu/money/estimate>
to estimate the dollar amount of financial aid for which you may qualify.

Arizona applicants who do not meet the Assured Admission criteria and all applicants not considered Arizona residents will be considered for admission through comprehensive review.

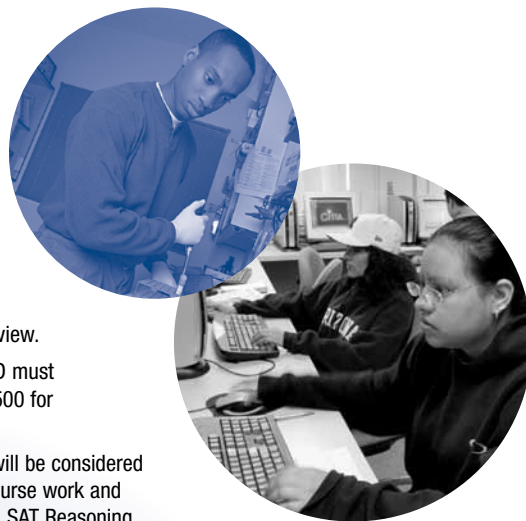

Students who take the GED must earn an average score of 500 for admission consideration.

Home-schooled students will be considered on the basis of portfolio/course work and comprehensive review and SAT Reasoning Test or ACT scores.

Notes

Some programs or colleges may require additional application information and/or admission requirements. If students apply to those programs and do not meet the additional qualifications, they will be offered admission in another program for which they qualify. For a complete program listing, please visit www.arizona.edu/degrees/undergrad-degrees.php. Estimating the likelihood of admission is very difficult without considering the complete application file. Thus, it is crucial for applicants to carefully complete the process by providing timely, comprehensive and accurate information.

A separate application is required for the SALT Center, the UA's enhanced learning support program. For a fee, SALT provides individualized academic support and a comprehensive range of services to maximize the success of students with learning and attention challenges. For more information, call 520.621.8493 or visit their Web site at www.salt.arizona.edu. You must apply to both the University and the SALT Center.

Transfer Admission Requirements

Arizona residents and non-Arizona residents under age 22 may be admitted with both of the following:

- Cumulative recalculated GPA of 2.0 (on a 4.0 scale) in a minimum of 24 transferable semester credits completed
- No more than one course work deficiency in two subject competency areas satisfied with high school and/or college work (see table on page 6) and not in both math and lab science

Arizona residents and non-Arizona residents aged 22 or older may be admitted with the following:

- Cumulative recalculated GPA of 2.0 (on a 4.0 scale) in a minimum of 24 transferable semester credits completed

Arizona residents will be admitted with one of the following:

- Successful completion of the Arizona General Education Curriculum, AGEC, and a minimum cumulative GPA established by the Arizona Board of Regents
- An associate or higher degree from a regionally accredited institution of higher education and a minimum GPA of 2.0 (on a 4.0 scale)

Non-Arizona residents: Admission is competitive.

Transferring credits: After a student is admitted, the Registrar's Office or the Office of Admissions will evaluate the transferability of credits from other institutions.

Students must earn a C or better in a transferable college-level course for it to be accepted.

To learn more about how you can satisfy any course work deficiencies with transferable college courses, refer to question 14 and the table on page 6 of this application, paying particular attention to the right-hand column of the table.

Some degree programs have higher admission criteria and/or an additional application process.

General instructions

- Read the application instructions and information carefully.
- Apply early. We start reviewing an application as soon as we receive all required materials. The earlier you submit your complete application, the earlier you will receive a decision. Applications cannot be reviewed until they are complete.
- Submit the application processing fee: \$50 for Arizona residents or \$65 for non-Arizona residents. This fee is nonrefundable and nontransferable. Applications are valid for one term only. Fee payment options include check, money order, credit card, or eligible fee waiver. If you plan to pay the application fee by credit card, it is best to apply online. Meet with your counselor if you believe you qualify for an application fee waiver.
- If you choose to apply using a paper application, submit the application and additional required materials. Remember to sign your application and keep a copy of all documents for your records.

- If you feel that your academic performance in high school or college was adversely affected by special circumstances, summarize the information on a separate sheet (include dates where applicable).

- This application is for freshman and transfer applicants who are U.S. citizens or permanent residents. International students (non-immigrants) should call 520.621.3237 or visit admissions.arizona.edu/International.html.

- The University of Arizona South, or UA South, is a branch campus of The University of Arizona, serving southern Arizona as part of the University's land grant mission. UA South offers upper-division graduate courses and degree programs at the Sierra Vista Campus, an office in the City of Douglas, an office in the City of Nogales, at Pima Community College East Campus, and at the UA Science and Technology Park. For information regarding completing your degree through UA South, please call 520.458.8278, ext. 2120, or visit uas.arizona.edu.

- To request a disability-related accommodation in the admission process, e-mail us at admissions@arizona.edu or call us at 520.621.3237.

1. Will I be considered for admission?

Yes. We review every complete application, provided all required documents/materials are submitted by the appropriate deadline. Please visit admissions.arizona.edu/apply or call 520.621.3237 for more details.

2. What are the different ways I can apply?

As an undergraduate degree-seeking applicant, there are two ways you can apply for admission. The preferred method for you to apply is

online using the Ways to Apply page admissions.arizona.edu/apply. (The main advantages of applying online include immediate submission, electronic acknowledgement, and the potential for faster processing.) You may also choose to download the application, print out the appropriate PDF version, complete and submit that form of application.

3. Why do you ask for my Social Security number?

We use your Social Security number to confirm and match documents associated with your application. You also must provide your Social Security number in order to be considered for financial aid grants, loans and/or on-campus employment.

4. I am a freshman applicant. What are the main factors you will consider in the comprehensive review of my application file?

We consider the academic and non-academic elements of your application. In the area of academic profile, we look at the strength of your curriculum, your performance in the curriculum, and your academic aptitude or achievement as demonstrated by scores on standardized tests. In the non-academic aspects of your application, we look at your activities summary and your unique life experiences, attributes, achievements and talents, as well as your personal statement.

5. Do I need to have a certain test score in order to be considered for admission?

No, there is no minimum required test score. If you do not provide test scores, you may be asked to submit test scores to the review committee for a more comprehensive and complete review of your application for admission. Test scores are important factors in comprehensive scholarship review. Also, some colleges or majors may require test scores in order to consider applicants for admission to their specific program of study. Essay portions of the ACT and SAT are not required for admission consideration.

6. If my high school does not rank, can I still be considered for admission?

Absolutely. We consider much more than the traditional measures of past and projected performance and promise. The absence of class rank will not be a disadvantage to a prepared and motivated student.

7. How many college units do I need to have completed in order to be considered a transfer applicant?

In order to be considered for admission as a transfer applicant, you must have completed a minimum of 24 transferable college semester credits/units by the time you apply and be a high school graduate (or equivalent).

8. I am a freshman applicant.

Why do you ask me for a personal statement?

First and foremost, we would like to offer you a distinctive voice in your application. This gives you an opportunity to share more about yourself than just your academic profile. We use the statement to learn more about you as an individual – your unique talents, experiences, achievements, views, background, interests, goals, preparation and motivation.

9. What are the average academic profiles of last year's entering freshman and transfer classes?

The freshmen entering the UA in the fall of 2010 had an average unweighted GPA of 3.36, an average combined SAT critical reading and math score of 1098, and an average ACT composite of 23.8. The average unweighted GPA for new transfers from two- and four-year institutions is 3.10.

10. What if I have a question about which application processing fee I should pay, the Arizona resident or non-Arizona resident amount?

If you are not certain about which application processing fee to pay, the \$50 or the \$65, we encourage you to call the UA Residency Classification Office at 520.621.3636. You may also visit their Web site at www.registrar.arizona.edu/residency/residenc.htm. (Remember, if you will be submitting an eligible application processing fee waiver, you will not need to determine which fee we will waive.)

11. When will I be notified about my admission decision?

Once we have your complete application, including all required additional materials, it usually takes 4-6 weeks for application processing and review to be completed and for your notification to be sent. See the checklist on the inside cover of this booklet for a description of a complete application.

12. What do I do after I am admitted?

After earning admission to The University of Arizona you will be asked to confirm your intention to become a new Wildcat. Your admissions package will include the next steps.

13. How can I contact the Office of Admissions?

You can reach us by telephone, e-mail, facsimile, live chat from our web page, or mail. You may also visit us online at admissions.arizona.edu. For immediate service, referrals, and answers on the telephone, please call our main Admissions Call Center at 520.621.3237. Our email address is admissions@arizona.edu. If you wish to send us a fax, please use 520.621.9799. (Remember that faxed materials are not accepted as official documents.) Any and all required documents or materials, as well as various requests and inquiries and other items, may be sent to Admissions at the following address: Office of Admissions, The University of Arizona, PO Box 210073, Tucson, AZ 85721-0073.

14. How do I satisfy the academic course work requirements or competencies, as a freshman or a transfer applicant?

All freshman applicants and transfer applicants under age 22 are expected to satisfactorily complete the Arizona Board of Regents' course work competencies as identified in the table below. See the table below for the course work competency requirements and for specific scores and/or courses needed. To make up any course work deficiencies with transferable college courses, see table below, righthand column.* If you have met a subject area in high school, you do not need to satisfy college course work requirements in that area for admission purposes.

*Course work
competency
requirements*

15. When may I apply for UA housing and submit my housing preferences?

Applications for housing in UA residence halls are accepted only from students who have been admitted to the University. The most popular housing choices fill up quickly, so apply for housing as soon as possible after you are admitted. Housing applications for admitted Wildcats to the Fall 2012 term will become available online at www.life.arizona.edu in October 2011. You may also wish to contact Residence Life directly by telephone at 520.621.6501, by e-mail at housing@life.arizona.edu, and/or online at www.life.arizona.edu.

The Honors College

Experience the best of The University of Arizona! As a member of the UA Honors College, you are able to take classes and work with internationally-known faculty; create your own unique educational plan to match your interests and passions; and use world-class facilities, including state-of-the-art classrooms, a nationally-ranked library and modern, comfortable residence halls. Small Honors classes offer the opportunity to interact closely with faculty, explore ideas in-depth, and build lasting bonds with other academically talented students. Discover why The Honors College may be the right place for you to achieve your personal and academic goals and learn about the advantages of being a UA Honors College student by visiting honors.arizona.edu or calling 520.621.6901.

Subject areas	Arizona Board of Regents' requirements	OR	ACT scores	OR	SAT scores	OR	College course work *See question 14 above
English 4 units/years composition or literature	English I English II English III English IV		English sub score of 21 or above		SAT Reasoning Test: critical reading score 530 or above		one 3-credit English course
Mathematics 4 units/years	algebra I geometry algebra II advanced math for which algebra II is a prerequisite		math sub score of 24 or above		SAT Reasoning Test: math score of 540 or above		one 3-credit course at the college algebra level or higher
Laboratory science 3 units/years	one unit from any three of the following: biology, chemistry, physics, earth science, integrated lab science (may include advanced study in one area)		natural science sub score of 20 or above (Test scores may be used to demonstrate competency in one (1) science only.)		SAT Subject Test scores: chemistry – 600 or above biology – 590 or above physics – 620 or above		three 4-credit lab science courses (only two may be in the same field)
Social science 2 units/years	one unit of American history one additional unit from: European/world history, economics, sociology, geography, government, psychology, anthropology		equivalent not available		SAT Subject Test scores: American history/social studies: 560 or above; European/world culture: 580 or above		one 3-credit American history course and one 3-credit social science course
Second language 2 units/years	two units of the same language		attain a minimum score on a national standardized language test, such as AP, CLEP Subject Examination, or SAT Subject Test; or earn certified placement into third college-level semester or higher based on an exam given by an accredited institution of higher education; or other forms of verification are available, please call 520.621.3237				one year of study in the same language; includes American Sign Language
Fine arts 1 unit/year	one unit of fine arts or any combination of two semesters of high school fine arts		N/A		N/A		one 3-credit fine arts class

Applicants should have an unweighted overall grade point average of 2.0 (A=4.0) in each subject area and should not have more than two total deficiencies. Applicants should not have deficiencies in both math and laboratory science or in the same subject area.

23. Current senior year courses — If you are currently enrolled in high school, complete the section below.

List all courses you are taking **during your senior year**. Abbreviations to use: *AP*—Advanced Placement; *IB*—International Baccalaureate; *AC*—Accelerated; *H*—Honors; *C*—College. **This section must be completed** to determine if you have met the course work requirements on page 6. The answers you provide may be verified upon receipt of your official transcript.

Subject	Course title	Fall	Spring	College credit
Senior English				<input type="radio"/> Yes
Senior mathematics				<input type="radio"/> Yes
Laboratory science				<input type="radio"/> Yes
Second language				<input type="radio"/> Yes
Fine arts				<input type="radio"/> Yes
Social science				<input type="radio"/> Yes
Other				<input type="radio"/> Yes
Other				<input type="radio"/> Yes

24. Dual or concurrent college course work — If you are currently enrolled in high school and have participated in dual or concurrent enrollment in a community college or university during your high school career, use the table below to indicate the institution(s) attended, the courses taken, and whether high school credit was earned for those courses. It is your responsibility to have official transcripts sent to the UA Office of Admissions from each college attended by the appropriate application deadline.

List in descending chronological order beginning with most recent college.

College or university name (no abbreviations)	Course title	Semester & year enrolled	Units earned	HS credit earned
				<input type="radio"/> Yes <input type="radio"/> No
				<input type="radio"/> Yes <input type="radio"/> No
				<input type="radio"/> Yes <input type="radio"/> No

Please use an additional sheet if necessary and include your name and date of birth in the upper right-hand corner.

25. College attendance — Are you presently attending or have you previously attended any college or university? Yes No

List institutions, locations and dates. Failure to provide a list of all colleges attended (to include all coursework completed through military institutions, correspondence and extension courses) may result in delay in admission, loss of transfer credit and/or dismissal. It is your responsibility to have official transcripts forwarded to the UA Office of Admissions from **each college attended** by the appropriate application deadline. An official transcript is required even if attendance was for a brief amount of time and/or no credit was established.

College or university name (no abbreviations)	City and state	Dates attended	Total credits earned	# of credits in progress	Term type (semester or quarter)

Please use an additional sheet if necessary and include your name and date of birth in the upper right-hand corner.

26. Are you a member of Phi Theta Kappa (the official honor society for two-year colleges)? Yes No

27. Will you have completed or have you completed by the time of your intended enrollment any of the following? (mark all that apply)

Degree / Educational pattern	Indicate college or university	Anticipated completion / Date completed
AGEC		
IGETC		
CSUGE		
Associate's		
Bachelor's		

28. If you are not attending school at present, please provide an explanation on a separate piece of paper (write your name and date of birth in the upper right-hand corner), detailing how you have been occupied since your last enrollment in school. Give brief details and dates.

29. Which semester and year do you intend to enroll at UA? Select one:

- Summer I 2012 (June 4-July 5) Summer II 2012 (July 9-August 8) Fall 2012 Spring 2013

30. Your intended University of Arizona college/major:

a) Below indicate your preferred college and/or major from the list in the application booklet. **(Refer to page 3 to make this selection.)**

Note: If you are interested in pre-law or pre-medicine, you may choose any major.

b) If you do not choose an undergraduate major or leave this section blank, UA will enter your intended major as undecided, CLAS: Colleges of Letters, Arts and Science.

c) Some majors require additional application materials and criteria for consideration. **(See page 3 for descriptions.)** For example, majors must be declared for students interested in pursuing programs in art, dance, media arts, music, and theatre arts. Also, applicants to these College of Fine Art majors should visit web.cfa.arizona.edu or call 520.621.1301 for additional application requirements.

Select a UA Major* _____

31. If you selected a major within the Colleges of Architecture, Engineering, Fine Arts, or Nursing:

Please select an alternate major in a college different from your first college selected **(refer again to page 3 to make this selection)**. Students who are not eligible for admission to their first choice major/college will be considered for admission to their alternate major/college. If you do not indicate an alternate intended major and you are not admitted to your first choice major, you will be considered for admission to the major of undecided, CLAS: Colleges of Letters, Arts and Science.

Alternate UA College _____ Alternate UA Major* _____

***Majors/Minors:** Please note that UA admits applicants to only one major. Should you wish to pursue a double major or major/minor combination, you will be able to arrange this after you enroll.

32. If you are interested in any of the following pre-professional programs, mark all that apply:

- High School teaching Pre-health These pre-professional programs are not majors. Students interested in these programs should mark the appropriate circle and refer to the majors on page 3 to select a major.
- Pre-law Pre-nursing

33. The Strategic Alternative Learning Techniques (SALT) Center is a fee-based comprehensive academic support program for students with learning and attention challenges, and requires an additional application for SALT admission. By indicating "yes" below, you will receive an email in the near future with directions on how to access and complete the SALT application.

Will you be applying to the SALT Center? Yes No Uncertain

The **Disability Resource Center (DRC)** works with individual students to identify reasonable accommodations. Students who wish to be considered for accommodations should contact the DRC at 520.621.3268.

34. Do you plan to enroll in classes primarily at one of the UA South locations (headquartered in Sierra Vista, with classes also at Pima Community College, UA Science & Tech Park, Douglas and Nogales) offering upper-division courses and programs? Yes No

35. Are you interested in being considered for admission to The Honors College? Yes No **If yes,** please answer the following question and submit it on a separate piece of paper with your name and date of birth in the upper right-hand corner.

Most people would agree that all human beings are entitled to certain basic rights and freedoms, although there is not universal agreement about which rights are human rights. Some that might be included are the right to education, freedom from torture, equality under the law, and the right to food. What do you think are basic human rights and, of these, which is most significant to you? Please tell us how you hope your UA Honors education will contribute to your knowledge of and engagement with this human right. Please limit your response to 500 words.

36. Certification and signature — Your signature is required below. Without your signature, your application is not complete.

By signing below, I represent that the information provided in this application is to the best of my knowledge and belief, true, correct and complete. I understand that if I am found to have made a false or misleading statement on this application I may be subject to discipline including dismissal from The University of Arizona. I accept that my application materials become the property of UA and will not be returned. Additionally, I authorize the release of my academic, demographic, and financial information on file with the University to alumni clubs and other organizations that may consider me for scholarships.

Signature of applicant (required)

Date

The University of Arizona is an equal opportunity, affirmative action institution. UA prohibits discrimination on the basis of race, color, religion, sex, national origin, disability, age, veteran status, sexual orientation, or gender identity. It is committed to maintaining an environment free from sexual or any other illegal harassment and retaliation. To report discrimination or sexual harassment, students should call the Office of Institutional Equity at 520.621.9449 or TTY 520.626.6768.

Additional questions for all freshman applicants

(Including all applicants with fewer than 24 transferable semester units completed by application date)

This form and your personal statement must be completed fully and included with your application.

Leadership, service, and activity record

Before completing this section, please read the activity subsections to determine where to list your activities, experiences, or awards. List each item only once. Limit the information on your extracurricular activities and awards to the space provided. Please write legibly or type. ***If any section of the leadership, service, and activity record is left blank, this will be interpreted as an answer of NONE.***

1. Leadership, school and community activities, service and awards

List your top five activities or awards by their order of importance to you, with the most important activity or award first. Describe the activity, your role or position, and leadership and service demonstrated. Volunteer activities and athletics may be included. Examples: student government, societies, clubs, offices, positions, publications, fine arts, civic organizations, honors, academic teams, JROTC, organizations, band, athletics, etc. Employment, educational preparation programs, and summer activities are considered elsewhere.

Activity, position, accomplishment, or award	Grade level (circle)	Description
1.	9 10 11 12	
2.	9 10 11 12	
3.	9 10 11 12	
4.	9 10 11 12	
5.	9 10 11 12	

2. Work experience during the school year

If you have been employed during any high school academic year, please list up to four jobs here by their order of importance to you, with the most important job first. Work during summers should be listed under the summer activities section below.

Specific nature of work	Employer	Approximate dates of employment	Approximate number of hours per week
1.			
2.			
3.			
4.			

3. Summer activities

Please identify your most significant activities (e.g., work experience, educational or leadership enrichment, volunteer programs, research programs, study abroad programs) in each of the past three summers. Indicate the length of time spent in each activity. Describe leadership, selection criteria, and benefits you received from each activity. You may include more than one significant activity per summer.

Example: Summer prior to 12th grade: work, travel, academic enrichment program, six weeks

Summer prior to 10th grade _____

Summer prior to 11th grade _____

Summer prior to 12th grade _____
