Freshman Admission Guidelines

Our Promise – A Comprehensive Review

The admissions team at the University of Arizona realizes that personal excellence can and should be evaluated by more than just academic achievement. Through our Comprehensive Review process, we are expanding access to students who will bring unique life experiences and personal achievements to our campus community.

Admission and scholarship award decisions are driven by comprehensive review. Every application may be reviewed by up to two different reviewers before a final decision is made. This process allows us to consider more than a student’s academic profile. Factors such as class rank, strength of curriculum, performance in curriculum, grade point average in required core academic courses, and ACT and/or SAT test scores will be considered. Other factors may include leadership, service, work experience and extracurricular activities; personal characteristics, attributes, and talents; and the ability to benefit from and contribute to a diverse and challenging learning environment. We are interested in learning more about the student’s preparedness, motivation, and potential in the unique context of their experience. Applicants will have the opportunity to include a brief statement to share any discrepancies in their academic record or any additional information they would like to include. Through this process, we are making more comprehensive and individualized admission and scholarship decisions.

In recognition of the high level of academic aptitude and course work competency demonstrated by many Arizona students who seek admission to UA, we also offer Assured Admission. Students may earn admission to UA through the Assured Admission process if they are an Arizona resident, graduate from an Arizona high school or earned a GED and have earned less than 12 college semester credits post-high school. Students who took the General Education Development Test (GED) must submit official test scores and meet the minimum requirements to be considered for admission. Students who took the Fourth Test Series between 2001-2013 must earn an average of 500. Students who took the Fifth Test Series beginning 2014 to present must earn an average of 680 AND each content module requires a minimum score of 170.

Home-schooled students will be considered on the basis of portfolio/course work, comprehensive review and SAT Reasoning Test or ACT scores.

Notes

Some programs or colleges may require additional application information and/or admission requirements. If students apply to those programs and do not meet the additional qualifications, they will be considered for admission in another program for which they may qualify. For a complete program listing, please visit www.arizona.edu/degrees/undergrad-degrees.php.

Estimating the likelihood of admission is very difficult without considering the complete application file. Thus, it is crucial for applicants to carefully complete the process by providing timely, comprehensive and accurate information.

A separate application is required for the SALT Center, the UA’s enhanced learning support program. For a fee, the SALT Center provides individualized academic support and a comprehensive range of services to maximize the success of students with learning and attention differences. For more information, call 520.621.8493 or visit their Web site at salt.arizona.edu. You must apply to both the University and to the SALT Center in order to be considered for admission in this academic support program.

Transfer Admission Requirements

You will be considered for transfer student admission if:

• You have fulfilled the course competencies required by the Arizona Board of Regents (see page 6 for details).

OR

• You have completed between 12-23 transferable* college semester credits at a college, university or another accredited higher education institution and have enrolled in at least 12 transferable* college semester credits post-high school.

NOTE: Arizona Board of Regents Course Competencies are waived if you are 22 years of age or older.

You will also be considered a transfer student for admission purposes if:

• You have graduated from high school and have enrolled at a college, university or another accredited higher education institution and have enrolled in at least 12 transferable* college semester credits post-high school.

AND

• You will have at least 24 transferable post-high school college semester credits by the start of your intended semester of enrollment.

AND

• You have fulfilled the course competencies required by the Arizona Board of Regents (see page 6 for details).

NOTE: Arizona Board of Regents Course Competencies are waived if you are 22 years of age or older.

If you do not fit into the descriptions above or have graduated from high school, homeschooled or earned a GED and have earned less than 12 college credits, you will be considered a freshman applicant.

Arizona applicants who do not meet the Assured Admission criteria and all applicants not considered Arizona residents will be considered for admission through comprehensive review.

Students who take the General Education Development Test (GED) must submit official test scores and meet the minimum requirements to be considered for admission. Students who took the Fourth Test Series between 2001-2013 must earn an average of 500. Students who took the Fifth Test Series beginning 2014 to present must earn an average of 680 AND each content module requires a minimum score of 170.

Home-schooled students will be considered on the basis of portfolio/course work, comprehensive review and SAT Reasoning Test or ACT scores.

Arizona residents will be admitted with one of the following:

• Successful completion of the Arizona General Education Curriculum, AGEC, and a minimum cumulative recalculated GPA of 2.0 (on a 4.0 scale). OR

• An associates or higher degree from a regionally accredited institution of higher learning and a minimum cumulative recalculated GPA of 2.0 (on a 4.0 scale).

*Courses are considered completed transferable units if they are college level, non-remedial courses from an accredited college/university and you have earned a grade equivalent to C or better. Earned grades equivalent to a D and F are non-transferable courses but will be used in grade point calculation, including repeated courses.

Admission decisions will be released the semester before you intend to enroll once your application is complete. For example, if you apply for fall 2015, a decision will be made in spring 2015.

Scholarships:

UA undergraduates earned over $159 million in scholarships last year. Go to financialaid.arizona.edu/types-of-aid/scholarships to find out how to apply for your share.

Need-based Aid: File your Free Application for Federal Student Aid (FAFSA) to receive consideration for need based grants, scholarships, work, and loans. To be considered for the widest possible array of need based aid, submit your FAFSA by March 1st, the UA’s priority deadline.

File your FAFSA at www.fafsa.ed.gov
Remember to include the UA school code: 001083.
This application packet is for freshman and transfer applicants to the University of Arizona who are U.S. citizens or permanent residents. General instructions

- Read the application instructions and information carefully.
- Apply early. We start reviewing an application as soon as we receive all required materials. The earlier you submit your complete application, the earlier you will receive a decision. Applications cannot be reviewed until they are complete.
- Submit the application processing fee: $50 for Arizona residents or $65 for non-Arizona residents. This fee is nonrefundable and nontransferable. Applications are valid for one term only. Fee payment options include check, money order, credit card, or eligible fee waiver. If you plan to pay the application fee by credit card, it is best to apply online. Meet with your counselor if you believe you qualify for an application fee waiver.
- If you choose to apply using a paper application, submit the application and additional required materials. Remember to sign your application and keep a copy of all documents for your records. Be sure to complete the entire application, if you leave any information blank it will delay the processing of your application.
- • If you feel that your academic performance in high school or college was adversely affected by special circumstances, summarize the information on the additional information sheet provided (include dates where applicable).
- This application is for freshman and transfer applicants who are U.S. citizens or permanent residents. International students (non-immigrants) should call 520.621.3237 or visit admissions.arizona.edu/international.html.

- To request a disability-related accommodation in the admission process, e-mail us at admissions@arizona.edu or call us at 520.621.3237.

1. Will I be considered for admission?
Yes. We review every complete application, provided all required documents/materials are submitted by the appropriate deadline. Please visit admissions.arizona.edu/apply or call 520.621.3237 for more details.

2. What are the different ways I can apply?
As an undergraduate degree-seeking applicant, there are two ways you can apply for admission. The preferred method for you to apply is online by visiting arizona.edu/future-students. (The main advantages of applying online include immediate submission, electronic acknowledgement, and the potential for faster processing.) You may also choose to download the application, print out the appropriate PDF version, complete and submit that form of application.

3. Can I submit my high school transcript(s) before I apply?
We recommend that you apply first and wait 3 days before requesting transcripts to be sent. If we receive your transcripts before your application, it will delay the processing of your application.

4. Why do you ask for my Social Security number?
We use your Social Security number to confirm and match documents associated with your application. You also must provide your Social Security number in order to be considered for financial aid grants, loans and/or on-campus employment.

5. I am a freshman applicant. What are the main factors you will consider in the comprehensive review of my application file?
We consider the academic and non-academic elements of your application. In the area of academic profile, we look at the strength of your curriculum, your performance in the curriculum, and your academic aptitude or achievement as demonstrated by scores on standardized tests. In the non-academic aspects of your application, we look at your activities summary and your unique life experiences, attributes, achievements and talents and additional information shared in your responses.

6. If my high school does not rank, can I still be considered for admission?
Absolutely. We consider much more than the traditional measures of past and projected performance and promise. The absence of class rank will not be a disadvantage to a prepared and motivated student.

7. Do I need to have a certain test score in order to be considered for admission?
No, there is no minimum required test score. If you do not provide test scores, you may be asked to submit test scores to the review committee for a more comprehensive and complete review of your application for admission. Test scores are important factors in comprehensive scholarship review. Also, some colleges or majors may require test scores in order to consider applicants for admission to their specific program of study. Essay portions of the ACT and SAT are not required for admission consideration.

8. How many college units do I need to have completed in order to be considered a transfer applicant?
In order to be considered for admission as a transfer applicant, you must have completed a minimum of 12 transferable college semester credits/units by the time you apply and be a high school graduate (or equivalent). Applicants must complete a total of 24 college semester credits/units by the term they want to enroll. For more details see Transfer Admission Requirements on page 2.

9. Can I submit additional materials such as letters of recommendation?
Any non-required materials will not be considered or retained. Therefore, we recommend that you do not submit any additional materials other than what is requested on the application.

10. What are the average academic profiles of last year’s entering freshman and transfer classes?
The freshman entering the UA in the fall of 2013 and enrolling full-time had an unweighted mean GPA of 3.40, a mean combined SAT critical reading and math: 1114, and a mean ACT composite of 24.3. The average unweighted GPA for new transfers from two- and four-year institutions is 3.12.

11. What if I have a question about which application processing fee I should pay, the Arizona resident or non-Arizona resident amount?
If you are not certain about which application processing fee to pay, the $50 or the $65, we encourage you to call the UA Residency Classification Office at 520.621.3636. You may also visit their Web site at www.registrar.arizona.edu/residency/residenc.htm. (Remember, if you will be submitting an eligible application processing fee waiver, you will not need to determine which fee we will waive.)
12. When will I be notified about my admission decision?
Once we have your complete application, including all required additional materials, it usually takes 2-4 weeks for application processing and review to be completed and for your notification to be sent. See the checklist in this application for a description of a complete application.

13. How can I contact the Office of Admissions?
You can reach us by telephone, e-mail, facsimile, or mail. You may also visit us online at admissions.arizona.edu. For immediate service, referrals, and answers on the telephone, please call our main Admissions Information Center at 520.621.3237. Our email address is admissions@arizona.edu If you wish to send us a fax, please use 520.626.7415. (Remember that faxed materials are not accepted as official documents.) Any and all required documents or materials, as well as various requests and inquiries and other items, may be sent to Admissions at the following address: Office of Admissions, University of Arizona, PO Box 210073, Tucson, AZ 85721-0073.

College transcripts should be mailed to: Registration & Transcripts, University of Arizona, PO Box 210066, Tucson, AZ 85721-0066

14. How do I satisfy the academic course work requirements or competencies, as a freshman or a transfer applicant?
All freshman applicants and all transfer applicants under age 22 are expected to satisfactorily complete the Arizona Board of Regents’ course work competencies as identified in the table below. See the table below for the course work competency requirements and for specific scores and/or courses needed. To make up any course work deficiencies with transferable college courses, see table below, righthand column.* If you have met a subject area in high school, you do not need to satisfy college course work requirements in that area for admission purposes.
