To qualify for the Supervision pathway, a Central Arizona College student enrolled in the Associate of Applied Science degree must:

- Submit an undergraduate admissions application to the University of Arizona South during the university’s admission filing period for acceptance, at least one semester in advance of transfer, and otherwise qualify for admission.
- Maintain a minimum GPA of 2.5 in the last 60 units.
- Satisfactorily complete all Central Arizona College graduation requirements for the Associate of Applied Science degree prior to the date the student intends to transfer to the university. Students who have not earned an Associate of Applied Science degree will be evaluated on a course-by-course basis.

The Bachelor of Applied Science Program at the University of Arizona South is designed to serve those students who have completed an Associate of Applied Science degree at Central Arizona College.

The following may transfer to the University of Arizona South to complete a B.A.S. in Supervision:
