2008-2009 application for undergraduate admission, scholarships and The Honors College

Apply online at admissions.arizona.edu/apply
It's easier and faster.
This application packet is for freshman and transfer applicants to The University of Arizona who are U.S. citizens or permanent residents. If you are applying for re-admission to UA, or as a non-degree seeking student, or as an international student, this is not the correct application for you. Please go to admissions.arizona.edu/apply or call 520.621.3237.

A complete application for a freshman or transfer student MUST include:
- Completed online or paper application.
- Official transcript(s). Transcripts are official only if sealed in an envelope by your counselor or registrar. An official high school transcript must be submitted if you are under age 22 or if otherwise required. Transfer students: official transcripts from all colleges and universities attended, even if credit was not established, must be submitted directly from those institutions. Students whose names have changed should ensure their current name is included on all transcripts.
- Send transcript(s) to: Office of Admissions
  The University of Arizona
  PO Box 210040
  Tucson AZ 85721-0040
- Freshman applicants: official test scores from the SAT Reasoning Test and/or the ACT. To submit your scores electronically, write code 4832 (SAT) or code 0096 (ACT) on the test reservation form. Scores posted on your high school transcript are also acceptable. Applicants may be admitted without test scores, but scores need to be on file to be considered for scholarships or admission to The Honors College and for placement into foundation course work at New Student Orientation.
- Application processing fee of $25 (Arizona resident) or $65 (non-Arizona resident) or an eligible fee waiver. This fee is nonrefundable and nontransferable.
- If you are home-schooled, provide a transcript of course work or portfolio and SAT Reasoning Test or ACT scores.
- If you have earned a GED certificate, provide official GED test results.

**Freshman application deadlines**

<table>
<thead>
<tr>
<th>Summer session — May 1</th>
<th>Fall semester — May 1</th>
<th>Spring semester — November 1</th>
</tr>
</thead>
</table>

Apply for admission and financial aid as soon as possible during your senior year of high school. Applications submitted or completed after the applicable deadline may not be considered. Apply for housing, new student orientation, and summer programs immediately after admission. Your future housing assignment will be based on your housing application date and other factors, not on your UA admission date.

**Transfer application deadlines**

<table>
<thead>
<tr>
<th>Summer session — May 1</th>
<th>Fall semester — June 1</th>
<th>Spring semester — November 1</th>
</tr>

</table>

Apply one semester before you intend to enroll. Applications submitted or completed after the applicable deadline may not be considered. Application deadlines for specific majors may be earlier. We encourage you to contact appropriate departments or visit their Web sites for more specific information about application deadlines and/or additional admission requirements.

**Visiting UA**

We know that one visit can make all the difference! We encourage you to visit UA and learn firsthand what it is like to live and study here. We offer a variety of options for you to experience our dynamic and diverse campus, including student-led campus tours; Class Cats, the program that puts you in real UA classes with a current student host; and UA Up Close, our comprehensive day-long, on-campus academic overview and UA community open house. Student-led tours are generally offered twice a day on weekdays and once on Saturdays. Class Cats requires a few weeks notice in order to pair you with a student host. UA Up Close programs are held on designated days throughout the year. Reservations are required and can be made at admissions.arizona.edu/visit. For more information, call the Office of Admissions at 520.621.3237. We look forward to welcoming you on campus soon!
College majors and contacts

Identify the undergraduate major you wish to pursue at The University of Arizona and indicate your intended college and major in question 19 on page 8 of your application. Be sure to review the entire page to determine the major that most appropriately matches your interest(s). Read college headings and major-related footnotes to learn more about possible additional requirements for your major and to avoid delays in processing your application.

UA South is a branch campus. Upper-division courses and programs are offered at the Pima CC East Campus, UA Science and Tech Park, in Douglas, and at the Sierra Vista Campus.

UA South has unique degree programs (listed below) but also offers degrees in cooperation with the Colleges of Humanities, Science, and Social and Behavioral Sciences.

Unique UA South majors:

Applied Science

Commerce

Elementary Education

1 Art — Admission to the School of Art is competitive. Additional materials beyond the UA application are required. Admission to the BA and BFA in Studio Arts is competitive and requires submission of at least 10 original artworks.

2 Dance — Admission to the School of Dance is highly competitive and requires an audition, in person or by video. It is best to audition when you apply for admission to UA. Deadline for auditions is January 2008.

3 Media Arts — Admission to the BA program in Media Arts is competitive. Additional materials beyond the UA application are required. Admission to the BFA will not occur before the sophomore year.

4 Music — Admission to the School of Music is competitive. Additional materials beyond the UA application are required. Admission to all BM programs and the BA in Instrumental or Vocal Studies is competitive and requires an audition. All prospective music students must pass a music theory readiness examination.

5 Theatre Arts — Admission to the School of Theatre Arts is competitive. Additional materials beyond the UA application are required. Admission to the BFA in acting or musical theatre is highly competitive and requires an audition in February 2008.
Freshman Admission Guidelines

Our Promise – A Comprehensive Review

The admissions team at The University of Arizona realizes that personal excellence can and should be evaluated by more than just academic achievement. Through our Comprehensive Review process, we are expanding access to students who will bring unique life experiences and personal achievements to our campus community.

Admission and scholarship award decisions are driven by comprehensive review. Every application may be reviewed by up to two different reviewers before a final decision is made. This process allows us to consider more than a student’s academic profile. Factors such as class rank, strength of curriculum, performance in curriculum, grade point average in required core academic courses, and ACT and/or SAT test scores will be considered. Other factors may include leadership, service, work experience and extracurricular activities; personal characteristics, attributes, and talents; and the ability to benefit from and contribute to a diverse and challenging learning environment. We are interested in learning much more about the student’s preparedness, motivation, and potential in the unique context of their experience. The inclusion of a short answer, personal narrative section to the UA application gives prospective students the opportunity to include unique life experiences and personal achievements in their application file. Through this process, we are making more comprehensive and individualized admission and scholarship decisions.

In recognition of the high level of academic aptitude and course work competency demonstrated by many Arizona students who seek admission to UA, we also offer Assured Admission. Students may earn admission to UA through the Assured Admission process if they are an Arizona resident, attend a regionally accredited high school, rank in the top 25 percent of their graduating class, and have no course work deficiencies as prescribed by the Arizona Board of Regents (see table on page 6).

Arizona applicants who do not meet the Assured Admission criteria and all applicants not considered Arizona residents will be considered for admission through comprehensive review.

Students who take the GED must earn an average score of 500 for admission consideration.

Home-schooled students will be considered on the basis of portfolio/course work and comprehensive review and SAT Reasoning Test or ACT scores.

Notes

Some programs or colleges may require additional application information and/or admission requirements. If students apply to those programs and do not meet the additional qualifications, they will be offered admission in another program for which they qualify. For a complete program listing, please visit www.arizona.edu/degrees/undergrad-degrees.php. Estimating the likelihood of admission is very difficult without considering the complete application file. Thus, it is crucial for applicants to carefully complete the process by providing timely, comprehensive and accurate information.

Transfer Admission Requirements

Arizona residents will be admitted with one of the following:

- cumulative recalculated GPA of 2.0 (on a 4.0 scale) in a minimum of 24 transferable semester credits completed AND if under age 22 completion of all high school competency requirements through high school and/or college work (see table on page 6)
- successful completion of the Arizona General Education Curriculum, AGEC, or an associate or baccalaureate degree from a regionally accredited institution of higher education with a minimum GPA of 2.0 (on a 4.0 scale)

Arizona residents (under age 22) may be admitted with both of the following:

- cumulative recalculated GPA of 2.0 (on a 4.0 scale) in a minimum of 24 transferable semester credits completed
- no more than one course work deficiency in two areas (see table on page 6)

Non-Arizona residents: Admission is competitive. To be considered, students should have at least a 2.5 cumulative recalculated GPA.

Transferring credits: After a student is admitted, the Office of Admissions will evaluate the transferability of credits from other institutions. Students must earn a “C” or better in a transferable college-level course for it to be accepted.

To learn more about how you can satisfy any course work deficiencies with transferable college courses, refer to question 14 and the table on page 6 of this booklet, paying particular attention to the right-hand column of the table. Some degree programs have higher admission criteria and/or an additional application process.

Financial Aid Estimator:

Our financial aid estimator is a Web-based tool that can help you see, if you are an incoming freshman, how college financial aid can make the dream of a university education an affordable reality. To estimate the dollar amount of financial aid you might qualify for, go to financialaid.arizona.edu/scholarships for details.

Merit-based Aid: More than $21 million in scholarship aid from private donors, corporations and institutional sources is awarded annually. For information on scholarship opportunities, go to financialaid.arizona.edu/scholarships.

Need-based Aid: File your Free Application for Federal Student Aid (FAFSA) to receive consideration for need based grants, scholarships, work study and to receive discounted, low interest loans. In order to be considered for the widest possible array of need based aid, submit your FAFSA prior to March 1. FAFSA forms are available at www.fafsa.ed.gov or from your school. Remember to include UA’s institutional code of 001083.

Transfer Admission Requirements

Arizona residents will be admitted with one of the following:

- cumulative recalculated GPA of 2.0 (on a 4.0 scale) in a minimum of 24 transferable semester credits completed AND if under age 22 completion of all high school competency requirements through high school and/or college work (see table on page 6)

Some degree programs have higher admission criteria and/or an additional application process.
Instructions

• Read the application instructions and information carefully.
• Apply early. We start reviewing an application as soon as we receive all required materials. The earlier you submit your complete application, the earlier you will receive a decision. Applications cannot be reviewed until they are complete.
• Submit the application processing fee: $25 for Arizona residents or $65 for non-Arizona residents. This fee is nonrefundable and nontransferable. Applications are valid for one term only. Fee payment options include check, money order, credit card, or eligible fee waiver. If you plan to pay the application fee by credit card, it is best to apply online. Meet with your counselor if you believe you qualify for an application fee waiver.
• If you choose to apply using this paper application, submit the application and additional required materials in the envelope provided. Remember to sign your application and keep a copy of all documents for your records.
• If you feel that your academic performance in high school or college was adversely affected by special circumstances, summarize the information on a separate sheet (include dates where applicable) for special admission review.

Questions you might ask

1. Will I be considered for admission?
Yes, we review every complete application, provided all required documents/materials are submitted by the appropriate deadline. Please visit admissions.arizona.edu/apply or call 520.621.3237 for more details.

2. What are the different ways I can apply?
As an undergraduate degree-seeking applicant, there are three ways you can apply for admission. The preferred method for you to apply is online using the Ways to Apply page on the UA website. (The main advantages of applying online include immediate submission, electronic acknowledgement, and the potential for faster processing.) You may also choose to download the application, print out the appropriate PDF version, complete and submit that form of application. The third method is to use this printed paper application.

3. Why do you ask for my Social Security number?
We use your Social Security number to confirm and match documents associated with your application. You also must provide your Social Security number in order to be considered for financial aid grants, loans and/or on-campus employment.

4. I am a freshman applicant. What are the main factors you will consider in the comprehensive review of my application file?
We consider the academic and non-academic elements of your application. In the area of academic profile, we look at the strength of your curriculum, your performance in the curriculum, and your academic aptitude or achievement as demonstrated by scores on standardized tests. In the non-academic aspects of your application, we look at your activities summary and your unique life experiences, attributes, achievements and talents, as well as your personal statement.

5. Do I need to have a certain test score in order to be considered for admission?
No, there is no minimum required test score. If you do not provide test scores, you may be asked to submit test scores to the review committee for a more comprehensive and complete review of your application for admission. Test scores are important factors in comprehensive scholarship review. Also, some colleges or majors may require test scores in order to consider applicants for admission to their specific program of study. Essay portions of the ACT and SAT are recommended but not required for admission consideration.

6. If my high school does not rank, can I still be considered for admission? Absolutely. We consider much more than the traditional measures of past and projected performance and promise. The absence of class rank will not be a disadvantage to a prepared and motivated student.

7. How many college units do I need to have completed in order to be considered a transfer applicant for admission? In order to be considered for admission as a transfer applicant, you must have completed a minimum of 24 transferable semester credits/units by the time you apply and have graduated from high school or earned a high school diploma.

8. I am a freshman applicant. Why do you ask me for a personal statement?
First and foremost, we would like to offer you a distinctive voice in your application. This gives you an opportunity to share more about yourself than just your academic profile. We use the statement to learn more about you as an individual — your unique talents, experiences, achievements, views, background, interests, goals, preparation and your motivation.

9. What are the average academic profiles of last year’s entering freshmen and transfer class?
The freshmen entering UA in the fall of 2006 had an average unweighted GPA of 3.36, an average combined SAT critical reading and math score of 1106, and an average ACT composite of 23.4. The average unweighted GPA for new transfers from two and four year institutions is 3.2.

10. What if I have a question about which application processing fee I should pay, the Arizona resident or non-Arizona resident amount? If you are not certain about which application processing fee to pay, the $25 or the $65, we encourage you to call the UA Residency Classification Office at 520.621.3636. You may also visit their Web site at www.registrar.arizona.edu/residency/residenc.htm. (Remember, if you will be submitting an eligible application processing fee waiver, you will not need to determine which fee we will be waiving.)
11. When will I be notified about my admission decision?
Once we have your complete application, including all required additional materials, it usually takes 4-6 weeks for application processing and review to be completed and for your notification to be sent. See the checklist on the inside cover of this booklet for a description of a complete application.

12. What do I do after I am admitted?
After earning admission to The University of Arizona you will be asked to pay your enrollment deposit (freshmen only), confirming your intention to become a new Wildcat. Your admissions package will include the next steps. This publication will help you navigate your next steps including housing options, financial aid, and registering for New Student Orientation.

13. How can I contact the Office of Admissions?
You can reach us by telephone, email, facsimile, or mail. You may also visit us online at admissions.arizona.edu. For immediate service, referrals, and answers on the telephone, please call our main Admissions Call Center at 520.621.3237. Our email address is appinfo@arizona.edu. If you wish to send us a fax, please use 520.621.9799. (Remember that faxed materials are not accepted as official documents.) Any and all required documents or materials, as well as various requests and inquiries and other items, may be sent to Admissions at the following address: Office of Admissions, The University of Arizona, PO Box 210040, Tucson, AZ 85721-0040.

14. How do I satisfy the academic course work requirements or competencies, as a freshman or a transfer applicant?
All freshman applicants and transfer applicants under age 22 are expected to satisfactorily complete the Arizona Board of Regents’ course work competencies as identified in the table below. See the table below for the course work competency requirements and for specific scores and/or courses needed. To make up any course work deficiencies with transferable college courses, see table below, right-hand column.* If you have met a subject area in high school, you do not need to satisfy college course work requirements in that area for admission purposes.

15. When may I apply for UA housing and submit my housing preferences?
Applications for housing in UA residence halls are accepted only from students who have been admitted to the University. The most popular housing choices fill up quickly so apply for housing as soon as possible after you are admitted. Housing applications for admitted Wildcats to the Fall 2008 term will become available online at www.life.arizona.edu in October 2007. You may also wish to contact Residence Life directly by telephone at 520.621.6501, by email at housing@life.arizona.edu, and/or online at www.life.arizona.edu.

The University of Arizona is an equal opportunity, affirmative action institution. UA prohibits discrimination on the basis of race, color, religion, sex, national origin, disability, age, veteran status, sexual orientation, or gender identity. It is committed to maintaining an environment free from sexual or any other illegal harassment and retaliation. To report discrimination or sexual harassment, students should call the Equal Opportunity and Affirmative Action Office at 520.621.9449 or TTY 520.626.6768.
This form and your personal statement must be completed fully and included with your application.

**Leadership, service, and activity record**

Before completing this section, please read the activity subsections to determine where to list your activities, experiences, or awards. List each item only once. Limit the information on your extracurricular activities and awards to the space provided. Please write legibly or type. *If any section of the leadership, service, and activity record is left blank, this will be interpreted as an answer of NONE.*

1. **Leadership, school and community activities, service and awards**

   List your top five activities or awards by their order of importance to you, with the most important activity or award first. Describe the activity, your role or position, and leadership and service demonstrated. Volunteer activities and athletics may be included. Examples: student government, societies, clubs, offices, positions, publications, fine arts, civic organizations, honors, academic teams, JROTC, organizations, band, athletics, etc. Employment, educational preparation programs, and summer activities are considered elsewhere.

Congratulations, you have taken the first step on the road to the experience of your lifetime.

Be sure to submit these items:

- Signed and completed application
- Official transcript(s)
- Test scores (freshman applicants)
- Application processing fee or eligible fee waiver

Personal Statement – For All Freshman Applicants
A Personal Statement is our best means of getting to know you and your best means of putting your academic performance and activities in the context of your life. There are no “wrong” answers. When you write your statement, tell us about those aspects of your life that are not evident from your academic record. Because personal statements are brief, they usually focus on one aspect of a student’s life. For example, you could focus on a character-defining moment, a cultural awareness, a challenge faced, family background or cultural heritage, individual talents, academic commitment, or extracurricular activities. Tell us what you would like us to know about you in considering you for admission and/or scholarships.

Please use the space below to provide your personal statement. If you are attaching additional pages, be sure to put your name and date of birth on the top of the page. Please limit your answer to fewer than 500 words. If you choose not to provide a personal statement, please be advised that we will be lacking important information about you.
