Our Promise – A Comprehensive Review

The admissions team at the University of Arizona realizes that personal excellence can and should be evaluated by more than just academic achievement. Through our Comprehensive Review process, we are expanding access to students who will bring unique life experiences and personal achievements to our campus community.

Admission and scholarship award decisions are driven by comprehensive review. Every application may be reviewed by up to two different reviewers before a final decision is made. This process allows us to consider more than a student’s academic profile. Factors such as class rank, strength of curriculum, performance in curriculum, grade point average in required core academic courses, and ACT and/or SAT test scores will be considered. Other factors may include leadership, service, work experience and extracurricular activities; personal characteristics, attributes, and talents; and the ability to benefit from and contribute to a diverse and challenging learning environment. We are interested in learning more about the student’s preparedness, motivation, and potential in the unique context of their experience. Applicants will have the opportunity to include a brief statement to share any discrepancies in their academic record or any additional information they would like to include. Through this process, we are making more comprehensive and individualized admission and scholarship decisions.

In recognition of the high level of academic aptitude and course work competency demonstrated by many Arizona students who seek admission to UA, we also offer Assured Admission. Students may earn admission to UA through the Assured Admission process if they are an Arizona resident, attend a regionally accredited high school, rank in the top 25 percent of their graduating class, and have no course work deficiencies as prescribed by the Arizona Board of Regents or have a 3.0 in the Arizona Board of Regents course requirements (see table on page 6).

Arizona applicants who do not meet the Assured Admission criteria and all applicants not considered Arizona residents will be considered for admission through comprehensive review.

Students who take the General Education Development Test (GED) must submit official test scores and meet the minimum requirements to be considered for admission. Students who took the Fourth Test Series between 2001-2013 must earn an average of 500. Students who took the Fifth Test Series beginning 2014 to present must earn an average of 680 AND each content module requires a minimum score of 170.

Home-schooled students will be considered on the basis of portfolio/course work, comprehensive review and SAT Reasoning Test or ACT scores.

Notes

Some programs or colleges may require additional application information and/or admission requirements. If students apply to those programs and do not meet the additional qualifications, they will be considered for admission in another program for which they may qualify. For a complete program listing, please visit www.arizona.edu/degrees/undergrad-degrees.php. Estimating the likelihood of admission is very difficult without considering the complete application file. Thus, it is crucial for applicants to carefully complete the process by providing timely, comprehensive and accurate information.

A separate application is required to enroll in the SALT Center. The SALT Center provides individualized academic support by offering a comprehensive range of services for students with learning and attention differences. There are additional fees to use SALT Center services. You must apply to both the University and to the SALT Center in order to be considered for admission to the SALT Center. Due to the high demand of these services, it is also recommended that you submit your application to the SALT Center at the same time or very soon after submitting the UA application. For more information, call 520.621.8493 or visit salt.arizona.edu.

Transfer Admission Requirements

You will be considered for transfer student admission if you meet the following criteria at the time of application:

- 24 or more transferable college semester credits post-high school
- 2.0 college/university GPA
- Fulfilled the course competencies by the Arizona Board of Regents
- OR
- 12-23 transferable post-high school college semester credits completed or in progress
- 2.0 college/university GPA
- 2.0 cumulative high school GPA
- Fulfilled the course competencies by the Arizona Board of Regents

NOTE: Arizona Board of Regents Course Competencies are waived if you are 22 years of age or older in both situations.

Arizona residents will be admitted with one of the following:

- Successful completion of the Arizona General Education Curriculum, AGEC, and a minimum cumulative recalculated GPA of 2.0 (on a 4.0 scale).

Admission decisions will be released the semester before you intend to enroll once your application is complete. For example, if you apply for fall 2018, a decision will be made in spring 2018.
This application packet is for freshman and transfer applicants to the University of Arizona who are U.S. citizens or permanent residents. If you are applying for readmission to UA, or as a non-degree-seeking student, or as an international student, this is not the correct application for you. Please go to arizona.edu/future-students to apply using the appropriate application.

Freshman Application Checklist:

A complete application for a Freshman applicant MUST include:

☑ Completed online or paper application
☑ A completed application includes self-reported grades through 6th semester of high school and senior courses in progress for initial admission consideration. For more information regarding self-reported grades go to http://admissions.arizona.edu/faqs/freshman#srg
  -> An official high school transcript must be submitted before you enroll. Self-reported grades will be used for the initial evaluation and review for an admission decision. Please do not send us your official transcripts at this time. More information will be provided upon admission.

☑ Official Test Scores
  -> Official test scores from the SAT and/or the ACT – to submit electronically, write code 4832 (SAT) or code 0096 (ACT) on the test reservation form.
  -> Applicants may be admitted without test scores, but scores need to be on file to be considered for scholarships or admission to The Honors College, the College of Engineering, the College of Nursing and for placement into foundation course work at New Student Orientation.

☑ Application Processing Fee
  -> $50 (Arizona Resident), $80 (Non-Resident) or an eligible fee waiver.
  -> This fee is nonrefundable and nontransferable.

If you are home-schooled, provide a transcript or portfolio of course work and SAT or ACT scores.

If you have earned a GED certificate, provide official GED test results.

Apply for admission and financial aid as early as possible during your senior year of high school. Applications submitted or completed after the deadline may not be considered. Apply for housing, orientation, and summer programs immediately after admission. Your future housing assignment will be based on your housing application date and other factors, not on your UA admission date.

Summer sessions – May 1
Fall – May 1
Spring – November 1

Transfer Application Checklist:

A complete application for a transfer applicant MUST include:

☑ Completed online or paper application
☑ Official transcript(s)
  -> Official transcripts from all college and universities attended, even if credit was not established, must be submitted directly from those institutions. If name changes have occurred ensure that your current name is included on all transcripts. An official high school transcript, home school transcripts or GED must be submitted if you are under age 22 or if you have less than 24 transferable college credits complete at the time you apply.

☑ Application Processing Fee
  -> $50 (Arizona Resident), $80 (Non-Resident).
  -> This fee is nonrefundable and nontransferable.

Apply one semester before you intend to enroll. Applications submitted or completed after the deadline may not be considered. Application deadlines for specific majors may be earlier. We encourage you to contact appropriate departments or visit their Web sites for more specific information about application deadlines and/or additional requirements.

Visiting UA

We know that one visit can make all the difference! We encourage you to visit the UA and learn firsthand what it is like to live and study here. We offer a variety of options for you to experience our dynamic and diverse campus, including student-led campus tours; Class Cats, the program that puts you in real UA classes with a current student host; and Arizona Experience, our comprehensive day-long, on-campus academic overview and UA community open house. Student-led tours are generally offered twice a day on weekdays and once on Saturdays. Class Cats requires a four week notice in order to pair you with a student host. Arizona Experience programs are held on designated days throughout the year. Reservations are required and can be made at admissions.arizona.edu/visit. For more information, call the Office of Admissions at 520-621-3641. We look forward to welcoming you on campus soon!
College majors and contacts Identify the undergraduate major you wish to pursue at the University of Arizona and indicate your intended college and major in question go on page 10 of your application. Be sure to review the entire page to determine the major that most appropriately matches your interest(s). Read college headings and major-related footnotes to learn more about possible additional requirements for your major and to avoid delays in processing your application.

Engineering engineering.arizona.edu 520.621.6032
FRESHMEN: The College of Engineering reviews applications of interested students. We use the following criteria to assess applicants for admission:
• math and composite scores for SAT or ACT (test scores required)
• academic GPA, class rank
• rigor of high school courses (Honors and AP/IB classes)
• performance in math and science classes
• participation in engineering/science camps, clubs, classes
Admitted engineering students will be identified as No Major Selected (undecided) Engineering. Prior to Orientation, students who have been admitted to the honors college will have the opportunity to select their engineering major. Others will remain as No Major Selected for at least their first semester. Please refer to the College of Engineering website for additional information on admission.

TRANSFER: To be considered for admission to engineering, applicants must have a calculated* minimum GPA of 3.5 or higher, transferable Calculus I credit, and supporting science coursework (e.g. chemistry, physics, etc.).
• The GPA is recalculated based on coursework applicable to the engineering curriculum.

Admission to the College of Fine Arts is competitive and requires a separate application to the college in addition to this UA application. Most majors will also require either a portfolio or an audition. For more information and requirements, please visit cfa.arizona.edu/prospective-students/admissions/

General instructions

• Read the application instructions and information carefully.
• Apply early. We start reviewing an application as soon as we receive all required materials. The earlier you submit your complete application, the earlier you will receive a decision. Applications cannot be reviewed until they are complete.
• Submit the application processing fee: $50 for Arizona residents or $80 for non-Arizona residents. This fee is nonrefundable and nontransferable. Applications are valid for one term only. Fee payment options include check, money order, credit card, or eligible fee waiver. If you plan to pay the application fee by credit card, it is best to apply online. Meet with your counselor if you believe you qualify for an application fee waiver.
• If you choose to apply using a paper application, submit the application and additional required materials. Remember to sign your application and keep a copy of all documents for your records. Be sure to complete the entire application, if you leave any information blank it will delay the processing of your application.
• Freshmen applicants will be asked to provide self-reported grades in the 16 ABOR (Arizona Board of Regents) high school course work competencies. These self-reported grades will be used for initial evaluation and review for an admission decision.
• If you feel that your academic performance in high school or college was adversely affected by special circumstances, summarize the information on the additional information sheet provided (include dates where applicable).
• This application is for freshman and transfer applicants who are U.S. citizens or permanent residents. International students (non-immigrants) should call 520.621.3237 or visit admissions.arizona.edu/international.html
• The University of Arizona South, or UA South, is a branch campus of the University of Arizona, serving Arizona communities as part of the University’s land grant mission. UA South offers upper-division courses and programs at some Pima Community College campuses (Tucson), UA Science and Tech Park (Tucson), UA Douglas, UA Mesa, UA Pinal, UA Santa Cruz, UA Sierra Vista, and Online. For information regarding completing your degree through UA South, please call 520.458.8278, ext. 2120, or visit uas.arizona.edu
• To request a disability-related accommodation in the admission process, e-mail us at admissions@arizona.edu or call us at 520.621.3327.

1. Will I be considered for admission?
Yes. We review every complete application, provided all required documents/materials are submitted by the appropriate deadline. Please visit admissions.arizona.edu or call 520.621.3327 for more details.

2. What are the different ways I can apply?
As an undergraduate degree-seeking applicant, there are two ways you can apply for admission. The preferred method for you to apply is online by visiting https://slate.admissions.arizona.edu/apply/. (The main advantages of applying online include immediate submission, electronic acknowledgement, and the potential for faster processing.) You may also choose to download the application, print out the appropriate PDF version, complete and submit that form of application.

3. Can I submit my high school transcript(s) before I apply?
High school transcripts are not required for the initial evaluation and review for an admission decision. Applicants are asked to provide self-reported grades. If you are admitted and decide to enroll at the University of Arizona, you will be required to submit a final, official high school transcript after graduation. Official high school transcripts will be used to confirm all self-reported coursework and grades were reported accurately prior to enrollment at the University of Arizona. If you provide false information for the purpose of GPA or course improvement it may invalidate further consideration for admissions or result in rescinding of the offer for admission and scholarships.

4. Why do you ask for my Social Security number?
We use your Social Security number to confirm and match documents associated with your application. You also must provide your Social Security number in order to be considered for financial aid grants, loans and/or on-campus employment.

5. I am a freshman applicant. What are the main factors you will consider in the comprehensive review of my application file?
We consider the academic and non-academic elements of your application. In the area of academic profile, we look at the strength of your curriculum, your performance in the curriculum, and your academic aptitude or achievement as demonstrated by scores on standardized tests. In the non-academic aspects of your application, we look at your activities summary and your unique life experiences, attributes, achievements and talents and additional information shared in your responses. You will have an opportunity to submit an optional statement if you would like to share additional information for the admissions office to consider.

6. If my high school does not rank, can I still be considered for admission?
Absolutely. We consider much more than the traditional measures of past and projected performance and promise. The absence of class rank will not be a disadvantage to a prepared and motivated student.

7. Do I need to have a certain test score in order to be considered for admission?
No, there is no minimum required test score. If you do not provide test scores, you may be asked to submit test scores to the review committee for a more comprehensive and complete review of your application for admission. Test scores are important factors in comprehensive scholarship review. Also, some colleges or majors may require test scores in order to consider applicants for admission to their specific program of study. Essay portions of the ACT and SAT are not required for admission consideration.

8. How many college units do I need to have completed in order to be considered a transfer applicant?
In order to be considered for admission as a transfer applicant, you must have completed a minimum of 12 transferable college semester credits/units after high school by the time you apply and be a high school graduate (or equivalent). For more details see Transfer Admission Requirements on page 2.

9. Can I submit additional materials such as letters of recommendation?
Any non-required materials will not be considered or retained. Therefore, we recommend that you do not submit any additional materials other than what is requested on the application.

10. What are the average academic profiles of last year’s entering freshman classes?
The freshman entering the UA in the fall of 2016 and enrolling full-time had an unweighted mean GPA of 3.38, a mean combined SAT critical reading and math: 1120, and a mean ACT composite of 24.5.

11. What if I have a question about which application processing fee I should pay, the Arizona resident or non-Arizona resident amount?
If you are not certain about which application processing fee to pay, the $50 or the $80, we encourage you to call the UA Residency Classification Office at 520.621.3636. You may also visit their Web site at www.registrar.arizona.edu/residency/residendc.htm. (Remember, if you will be submitting an eligible application processing fee waiver, you will not need to determine which fee we will waive.) If you plan to submit a fee waiver do not submit a payment with your application. We will not be able to refund the application fee even if we receive a fee waiver after you have paid.

Questions you might ask
12. When will I be notified about my admission decision?

Once we have your complete application, including all required additional materials, it usually takes 2-4 weeks for application processing and review to be completed and for your notification to be sent. See the checklist in this application for a description of a complete application. Please visit https://admissions.arizona.edu/deadlines/freshmen for more details.

13. How can I contact the Office of Admissions?

You can reach us by telephone, e-mail, facsimile, or mail. You may also visit us online at admissions.arizona.edu. For immediate service, referrals, and answers on the telephone, please call our main Admissions Information Center at 520.621.3237. Our email address is admissions@arizona.edu. If you wish to send us a fax, please use 520.626.7415. (Remember that faxed materials are not accepted as official documents.) Any and all required documents or materials, as well as various requests and inquiries and other items, may be sent to Admissions at the following address: Office of Admissions, University of Arizona, PO Box 210073, Tucson, AZ 85721-0073.

College transcripts should be mailed to: Registration & Transcripts, University of Arizona, PO Box 210066, Tucson, AZ 85721-0066

14. How do I satisfy the academic course work requirements or competencies, as a freshman or a transfer applicant?

All freshman applicants and all transfer applicants under age 22 are expected to satisfactorily complete the Arizona Board of Regents' course work competencies as identified in the table below. See the table below for the course work competency requirements and for specific scores and/or courses needed. To make up any course work deficiencies with transferable college courses, see table below, righthand column. * If you have met a subject area in high school, you do not need to satisfy college course work requirements in that area for admission purposes.

Applicants should have an unweighted overall grade point average of 2.0 (A=4.0) in each subject area and should not have more than two total deficiencies. Applicants should not have deficiencies in both math and laboratory science or in the same subject area.

The Honors College

Discover a world of opportunities at the University of Arizona! As a member of the UA Honors College, you have the opportunity to go beyond the boundaries of a typical college class and be challenged in new and exciting ways. Take smaller, discussion-based courses and work with nationally-recognized professors; create your own Honors academic plan to match your interests and passions; and explore all of the benefits that a large research institution has to offer, from intramural sports to student clubs and undergraduate research opportunities. Learn about the advantages of being an Honors Wildcat by visiting www.honors.arizona.edu or calling 520.621.6901.
This application is for degree-seeking freshman and transfer applicants who are U.S. citizens or permanent residents. If you are applying for readmission to UA, or as a non-degree-seeking student, or as an international student, this is not the correct application for you. Please visit the Web site arizona.edu/future-students or call 520.621.3237 for more information.

To ensure timely processing, attach the required application processing fee (in the form of a check or money order made payable to the University of Arizona) or an eligible fee waiver. Include your name and date of birth on the check or money order.

The fee is $50 for Arizona residents or $80 for non-Arizona residents and is nonrefundable and nontransferable.

As mentioned, you will have the opportunity to update the data.
14. Residency information must be supplied by each person applying for admission to the University of Arizona. Contact the Residency Classification Office, 520.621.3636, or by email to REG-rco@email.arizona.edu if you have questions about your residency status or visit www.registrar.arizona.edu/residency/residency.htm. NOTE: If you consider yourself an Arizona resident, should you be admitted, you will be required to complete the online Statement of Residency Classification (SORC). Omission of information will default your status to non-Arizona resident classification.

Do you consider yourself a resident of Arizona?  ○ Yes  ○ No

Your self-reported answer here will be used for application and admission purposes. If you claim Arizona residency, your status will be considered pending until you have completed the online SORC mentioned above. Your classification for tuition purposes will be determined based on the more detailed information received through the SORC and may be different from your self-reported status.

15. Are you, your parent(s) or your spouse affiliated with the US military?  ○ Yes  ○ No

Your response is not a factor in your admission decision. This is a required question and if you do not provide a response, an answer of “no” will be recorded. If you marked yes, please select from the following:  ○ I am Active Duty  ○ I am a Veteran  ○ I am a Dependent  ○ I am a Spouse

*If you are active duty or a veteran you may be eligible to receive academic credit for your training and education, and are required to work with the Department of Veteran’s Services to assess and apply your education, training and/or experience received through military duty or service to academic credits in selected programs of study.

16. Have either of your parent(s) or guardian(s) earned a bachelor's degree or higher?  ○ Yes  ○ No

Your response is not a factor in your admission decision. This is a required question and if you do not provide a response an answer of “no” will be recorded.

17. Do you have a parent/guardian employed by the University of Arizona?  ○ Yes  ○ No

Your response is not a factor in your admission decision. This is a required question and if you do not provide a response an answer of “no” will be recorded.

18. Do you intend to apply for financial aid, loans or campus employment?  ○ Yes  ○ No

Your response is not a factor in your admission decision. This is a required question and if you do not provide a response an answer of “no” will be recorded.

19. Social Security number (Your SSN is required for financial aid and scholarship applications and to comply with IRS reporting requirements.)

20. Ethnic/racial background: To comply with federal reporting requirements, UA asks for ethnic/racial background of applicants. You may decline to answer without prejudicing your application in any way. Please see http://nces.ed.gov/statprog/2002/stdh_5.asp to find a more detailed definition of the racial/ethnic group.

a) Are you Hispanic/Latino?  ○ Yes  ○ No

If you marked Yes, are you:  ○ Mexican or Mexican American or Chicano  ○ Cuban  ○ Puerto Rican  ○ Other Hispanic or Latino

b) Are you any of the following? (please mark one or more)

○ American Indian or Alaska Native. If you marked American Indian or Alaska Native, specify tribal/corporate affiliation(s).

   - Summer II 2018 (July 9 – August 8)
   - Fall 2018
   - Spring 2019
28. Your intended University of Arizona college/major:
   a) Below indicate your preferred college and/or major from the list in the application booklet. (Refer to page 4 to make this selection.)
   Note: If you are interested in pre-law, pre-medicine, or pre-pharmacy. You may choose any major.
   b) Freshman students, if you do not choose an undergraduate major or leave this section blank, UA will enter your intended major as undecided, CLAS: Colleges of Letters, Arts and Science. Transfer students cannot choose undecided, CLAS, but may select any other major on the list; please do not leave this section blank.
   c) Some majors require additional application materials and criteria for consideration. (See page 4 for descriptions.) For example, majors must be declared for students interested in pursuing programs in art, dance, media arts, music, and theatre arts. Applicants to College of Fine Art majors should visit (web.cfa.arizona.edu) or call 520.621.1301 for additional application requirements.

**High School Coursework**
The University of Arizona is committed to providing you with an admissions decision as quickly as we can. To aid in our efforts, we request that you provide us with your core high school courses and grades. On the following page you will provide information for the six subject areas that are part of the 16 high school core competency coursework requirements: English, Math, Lab Science, Social Science, Second Language, and Fine Arts or Career & Technical Education (CTE). For more details on the 16 high school competency requirements refer to page 6. Only applicants offered admission, and who intend to enroll at the University of Arizona, will be required so submit their final official high school transcript with their graduation date displayed to verify the grades you reported on this application.

Indicate the coursework you have completed and grades you have received. Also list the courses you plan to complete during your senior year of high school. Include any college credit(s) you have completed or will complete by the time you graduate from high school. You must obtain a copy of your high school transcript and use it to complete the self-reported section of your application. Your self-reported grades should match those displayed on your transcript. For example, if your transcript only lists final grades, then you must report final grades, even if you know your semester grades. The official transcripts will be used to verify the information you self-report. If you provided inaccurate information, your admission may be revoked or your enrollment cancelled.

- You are required to indicate at least which courses you have in progress for any of these subject areas.
- If you provide us with each of the 16 high school core competency coursework requirements in this section, your admission decision will be based upon this information. You will not need to submit a transcript until after your graduation from high school. If your final high school transcript indicates that you do not meet the minimum standard for admission to the University of Arizona, your admission may be rescinded.
- If you only provide your senior year coursework or do not provide complete information in this section, you will need to send us an official transcript.
- If you fill out this section completely you will receive a faster admissions decision, and the self-reported grades you provide will replace official high school transcripts during the initial admission review process. For more details and FAQs visit [http://admissions.arizona.edu/faqs/freshman#srg](http://admissions.arizona.edu/faqs/freshman#srg)

**Key to filling out High School Coursework Table:**
- **Grade Level** – What year in High School did you or will you complete this course? Options include: Pre-High School, 9th grade, 10th grade, 11th grade, 12th grade
- **Course Rigor** – Indicate whether the course is Standard, AP (Advanced Placement), IB (International Baccalaureate), Advanced/Accelerated, Honors, Dual Enrollment/College Credit, Remedial
- **Grade** – Please indicate the course grade (A, B, C, D, F) for the semester(s) in which you were enrolled in the course. If you are currently taking the course then mark it as IP (In-Progress) for each semester you will be enrolled in the course. If your high school utilizes a non-standard grading scale (such as numerical grades) or a non-standard semester schedule (such as trimester or block schedules) please see the FAQ page [http://admissions.arizona.edu/faqs/freshman#srg](http://admissions.arizona.edu/faqs/freshman#srg)
Please review the instructions on the previous page to fill out the form below.

The number of units/years required per subject are: English (4 years), Math (4 years), Lab Science (3 years), Social Science (2 years), Second Language (2 years), Fine Arts or Career and Technical Education (CTE) (1 year). Please include all courses in each subject with at least the number of required units/years. You can include more than the minimum of required units. If you did not take any courses in a subject then in the course title, write in the following: no courses taken.
