First-year Admission Guidelines

Our Promise – A Comprehensive Review

The admissions team at the University of Arizona realizes that personal excellence can and should be evaluated by more than just academic achievement. Through our Comprehensive Review process, we are expanding access to students who will bring unique life experiences and personal achievements to our campus community.

Admission and scholarship award decisions are driven by comprehensive review. Every application may be reviewed by up to two different reviewers before a final decision is made. This process allows us to consider more than a student’s academic profile. Factors such as class rank, strength of curriculum, performance in curriculum and grade point average in required core academic courses will be considered. Other factors may include leadership, service, work experience and extracurricular activities; personal characteristics, attributes, and talents; and the ability to benefit from and contribute to a diverse and challenging learning environment. We are interested in learning more about the student’s preparedness, motivation, and potential in the unique context of their experience. Applicants will have the opportunity to include a brief statement to share any discrepancies in their academic record or any additional information they would like to include. Through this process, we are making more comprehensive and individualized admission and scholarship decisions.

In recognition of the high level of academic aptitude and course work competency demonstrated by many students who seek admission to UA, we also offer Assured Admission. Students may earn admission to UA through the Assured Admission process if they attend a regionally accredited high school, rank in the top 25 percent of their graduating class, and have no course work deficiencies as prescribed by the Arizona Board of Regents or earn an unweighted GPA of 3.0 or higher in their core coursework. Applicants who do not meet the Assured Admission criteria are still considered for admission through comprehensive review.

Students who take the General Education Development Test (GED) must submit official test scores and meet the minimum requirements to be considered for admission. Students who took the Fourth Test Series between 2001-2013 must earn an average of 500. Students who took the Fifth Test Series beginning 2014 to present must earn an average of 680 AND each content module requires a minimum score of 170. Home-schooled students will be considered on the basis of portfolio/course work and comprehensive review.

Notes

Some programs or colleges may require additional application information and/or admission requirements. If students apply to those programs and do not meet the additional qualifications, they will be considered for admission in another program for which they may qualify. For a complete program listing, please visit deansresearch.arizona.edu. Estimating the likelihood of admission is very difficult without considering the complete application file. Thus, it is crucial for applicants to carefully complete the process by providing timely, comprehensive and accurate information.

A separate application is required to enroll in the SALT Center. The SALT Center provides individualized academic support by offering a comprehensive range of services for students with learning and attention differences. There are additional fees to use SALT Center services. You must apply to both the University and to the SALT Center in order to be considered for admission to the SALT Center. Due to the high demand of these services, it is also recommended that you submit your application to the SALT Center at the same time or very soon after submitting the UA application. For more information, call 520.621.8493 or visit salt.arizona.edu.

A separate application is also required to enroll in the Honors College. The University of Arizona Honors College is home to bright, motivated students who want to take advantage of everything the UA has to offer while also having the support of a small, diverse community of scholars. Honors Wildcats have enhanced research access, priority course registration, smaller class sizes, and many other benefits. For more information, call 520.621.6901 or visit honors.arizona.edu.

Transfer Admission Requirements

You will be considered for transfer student admission if you meet the following criteria at the time of application:

- 24 or more transferable college semester credits post-high school
- A recalculated cumulative GPA of 2.0 or higher
- Fulfilled the course competencies by the Arizona Board of Regents

OR

- 12-23 transferable post-high school college semester credits completed or in progress
- A recalculated cumulative GPA of 2.0 or higher
- 2.0 cumulative high school GPA
- Fulfilled the course competencies by the Arizona Board of Regents

NOTE: Arizona Board of Regents Course Competencies are waived if you are 22 years of age or older in both situations.

Arizona residents will be admitted with one of the following:

- Successful completion of the Arizona General Education Curriculum, AGEC, and a minimum recalculated cumulative GPA of 2.0 (on a 4.0 scale).

Admission decisions will be released the semester before you intend to enroll once your application is complete. For example, if you apply for fall 2021, a decision will be made in spring 2021.
First-year Application Checklist:

A complete application for a First-year applicant MUST include:

- Completed online or paper application
- A completed application includes self-reported grades through 6th semester of high school and senior courses in progress for initial admission consideration. For more information regarding self-reported grades go to https://admissions.arizona.edu/faqs/first-year#srg
  - An official final (8-semester, with graduation date) high school transcript must be submitted before you enroll. Self-reported grades will be used for the initial evaluation and review for an admission decision. Please do not send us your official transcripts at this time. More information will be provided upon admission.
- Application Processing Fee
  - Tucson Main Campus - $50 (Arizona Resident), $80 (Non-Resident) or an eligible fee waiver.
  - Arizona Distance locations - $50 (Resident and Non-Resident)
  - This fee is nonrefundable and nontransferable.

If you are home-schooled, provide a transcript or portfolio of course work
If you have earned a GED certificate, provide official GED test results.

Apply for admission and financial aid as early as possible during your senior year of high school. Applications submitted or completed after the deadline may not be considered. Apply for housing, orientation, and summer programs immediately after admission. Your future housing assignment will be based on your housing application date and other factors, not on your UA admission date.

Transfer Application Checklist:

A complete application for a transfer applicant MUST include:

- Completed online or paper application
- Official transcript(s)
  - Official transcripts from all college and universities attended, even if credit was not established, must be submitted directly from those institutions. If name changes have occurred ensure that your current name is included on all transcripts.
  - An official high school transcript, home school transcripts or GED must be submitted if you are under age 22 or if you have less than 24 transferable college credits complete at the time you apply.
- Application Processing Fee
  - Tucson Main Campus - $50 (Arizona Resident), $80 (Non-Resident) or an eligible fee waiver.
  - Arizona Distance locations - $50 (Resident and Non-Resident)
  - This fee is nonrefundable and nontransferable.

Apply one semester before you intend to enroll.
Applications submitted or completed after the deadline may not be considered. Application deadlines for specific majors may be earlier. We encourage you to contact appropriate departments or visit their Web sites for more specific information about application deadlines and/or additional requirements.

Visiting UA

We know that one visit can make all the difference! We encourage you to visit the UA and learn firsthand what it is like to live and study here. We offer a variety of options for you to experience our dynamic and diverse campus, including student-led campus tours; Class Cats, the program that puts you in real UA classes with a current student host; and Arizona Experience, our comprehensive day-long, on-campus academic overview and UA community open house. Student-led tours are generally offered twice a day on weekdays and once on Saturdays. Class Cats requires a four week notice in order to pair you with a student host. Arizona Experience programs are held on designated days throughout the year. Reservations are required and can be made at admissions.arizona.edu/visit. For more information, call the Office of Admissions at 520-621-3641. We look forward to welcoming you on campus soon!
College majors and contacts identify the undergraduate major you wish to pursue at the University of Arizona and indicate your intended college and major in question 32 on page 11 of your application. Be sure to review the entire page to determine the major that most appropriately matches your interest(s). Read college headings and major-related footnotes to learn more about possible additional requirements for your major and to avoid delays in processing your application.

Questions you might ask

1. Will I be considered for admission?
   Yes. We review every complete application, provided all required documents/materials are submitted by the appropriate deadline. Please visit admissions.arizona.edu or call 520.621.3237 for more details.

2. What are the different ways I can apply?
   As an undergraduate degree-seeking applicant, there are two ways you can apply for admission. The preferred method for you to apply is online by visiting https://slate.admissions.arizona.edu/apply/. (The main advantages of applying online include immediate submission, electronic acknowledgement, and the potential for faster processing.) You may also choose to download the application, print out the appropriate PDF version, complete and submit that form of application.

3. Can I submit my high school transcript(s) before I apply?
   High school transcripts are not required for the initial evaluation and review for an admission decision. Applicants are asked to provide self-reported grades. If you are admitted and decide to enroll at the University of Arizona, you will be required to submit a final, official high school transcript after graduation. Official high school transcripts will be used to confirm all self-reported coursework and grades were reported accurately prior to enrollment at the University of Arizona. If you provide false information for the purpose of GPA or course improvement, it may invalidate your application.

4. Why do you ask for my Social Security number?
   We use your Social Security number to confirm and match documents associated with your application. You also must provide your Social Security number in order to be considered for financial aid grants, loans and/or on-campus employment.

5. I am a First-year applicant. What are the main factors you will consider in the comprehensive review of my application file?
   We consider the academic and non-academic elements of your application. In the area of academic profile, we look at the strength of your curriculum, your performance in the curriculum, and your academic aptitude or achievement as demonstrated by scores on standardized tests. In the non-academic aspects of your application, we look at your activities summary and your unique life experiences, attributes, achievements and talents and additional information shared in your responses. You will have an opportunity to submit an optional statement if you would like to share additional information for the admissions office to consider.

6. If my high school does not rank, can I still be considered for admission?
   Absolutely. We consider much more than the traditional measures of past and projected performance and promise. The absence of class rank will not be a disadvantage to a prepared and motivated student.

7. Do I need to have a certain test score in order to be considered for admission?
   SAT/ACT scores are not required for general admission to the University, merit scholarship eligibility, or admission to our more selective programs such as the Honors College. If a student chooses to submit official SAT/ACT scores, they may be used to assist with class placement at orientation or to help fulfill Arizona Board of Regents (ABOR) course competencies.

8. How many college units do I need to have completed in order to be considered a transfer applicant?
   In order to be considered for admission as a transfer applicant, you must have completed a minimum of 12 transferable college semester credits/units after high school by the time you apply and be a high school graduate (or equivalent). For more details see Transfer Admission Requirements on page 2.

9. Can I submit additional materials such as letters of recommendation?
   Any non-required materials will not be considered or retained. Therefore, we recommend that you do not submit any additional materials other than what is requested on the application. If you are applying to the Honors College, one letter of recommendation is required. You will be asked to provide your recommender’s contact information within the Honors application.

10. What are the average academic profiles of last year’s entering First-year classes?
   The First-year entering the UA in the fall of 2019 and enrolling full-time had an unweighted mean GPA of 3.51 a mean combined SAT critical reading and math: 1262, and a mean ACT composite of 26.

11. Am I an Arizona Resident?
   If you are not certain about your residency, we encourage you to call the UA Residency Classification Office at 520.621.3636. You may also visit their Web site at www.registrar.arizona.edu/residency/general-residency-guidelines. (Remember, if you will be submitting an eligible application processing fee waiver, you will not need to determine which fee we will waive.) If you plan to submit a fee waiver do not submit a payment with your application. We will not be able to refund the application fee even if we receive a fee waiver after you have paid.
12. When will I be notified about my admission decision?
Once we have your complete application, including all required additional materials, it usually takes 2-4 weeks for application processing and review to be completed and for your notification to be sent. See the checklist in this application for a description of a complete application on page 3. Please visit admissions.arizona.edu/deadlines/first-year for more details.

13. How can I contact the Office of Admissions?
You can reach us by telephone, e-mail, facsimile, or mail. You may also visit us online at admissions.arizona.edu. For immediate service, referrals, and answers on the telephone, please call our main Admissions Information Center at 520.621.3237. Our email address is admissions@arizona.edu. If you wish to send us a fax, please use 520.626.7415. (Remember that faxed materials are not accepted as official documents.) Any and all required documents or materials, as well as various requests and inquiries and other items, may be sent to Admissions at the following address: Office of Admissions, University of Arizona, PO Box 210073, Tucson, AZ 85721-0073.

College transcripts should be mailed to: Registration & Transcripts, University of Arizona, PO Box 210066, Tucson, AZ 85721-0066

14. How do I satisfy the academic course work requirements or competencies as a First-year or a transfer applicant?
All First-year applicants and all transfer applicants under age 22 are expected to satisfactorily complete the Arizona Board of Regents’ course work competencies as identified in the table below. See the table below for the course work competency requirements and for specific scores and/or courses needed. To make up any course work deficiencies with transferable college courses, see table below, right-hand column. If you have met a subject area in high school, you do not need to satisfy course college work requirements in that area for admission purposes.

Note: An admitted student will have the opportunity within the student information system to update their primary emergency contact information; additional options are included as well. If you are an employee of the University of Arizona, the emergency contact information you enter in this application will replace your emergency contact information previously listed as primary. As mentioned, you will have the opportunity to update the data.

16. Residency information must be supplied by each person applying for admission to the University of Arizona.

Contact the Residency Classification Office, 520.621.3636, or by email to REG-rco@email.arizona.edu if you have questions about your residency status or visit www.registrar.arizona.edu/residency/residency.htm. NOTE: If you consider yourself an Arizona resident, should you be admitted, you will be required to complete the online Statement of Residency Classification (SORC). Omission of information will default your status to non-Arizona resident classification.

Are you a resident of Arizona?  □ Yes  □ No

Your self-reported answer here will be used for application and admission purposes. If you claim Arizona residency, your status will be considered pending until you have completed the online SORC mentioned above. Your classification for tuition purposes will be determined based on the more detailed information received through the SORC and may be different from your self-reported status.

17. Are you, your parent(s), or your spouse affiliated with the US military? Your response is not a factor in your admission decision.

Please select from the following: □ I am not a military-connected student □ I am currently serving on Active Duty in the U.S. Military
□ I am currently serving on National Guard Duty/Reserve Status in the U.S. Military □ My spouse served/currently serving in the U.S. Military
□ I am a veteran of the U.S. Military (this includes the Inactive Ready Reserves)
□ One or both parents (including step-parents) served/currently serving in the U.S. Military

Students using the GI Bill at Arizona are required by the Veterans Administration to submit their Joint Services Transcript (JST) if you are admitted to the University of Arizona and enroll. (This transcript may be required during the evaluation process for admission. You will be notified if it is needed for admission review.) We will work with you and the Department of Veteran’s Services to assess and apply your education, training and/or experience received through military duty or service to academic credits in selected programs of study.

If Active Duty or Veteran, which branch do you/did you serve? ______________________________ Dates of Service: ______________

Please be sure to send your Joint Services Transcript, if applicable.

18. Please check any of the following experiences you have had, or are currently experiencing. Your response is not a factor in your admission decision or financial aid. The University of Arizona has a variety of opportunities and supports available to students that qualify. Your participation in any support services offered to you is completely voluntary.

□ I have been in foster care (at any point in your life) □ I have been homeless or have had to stay with others that are not my family to have a safe place to live. □ I am a young adult that is age 24 or younger that does not have contact or support from parents or guardians. To learn more about some of the supports available to students with these life experiences, please visit: http://fosteringsuccess.arizona.edu

19. Have either of your parent(s) or guardian(s) earned a bachelor’s degree or higher? □ Yes  □ No

Your response is not a factor in your admission decision. This is a required question and if you do not provide a response an answer of “no” will be recorded.

20. Do you qualify as a recipient or beneficiary of the Qualified Tuition Reduction (QTR) program? □ Yes  □ No

This applies to UA/NAU/ASU Employees, UA/NAU/ASU affiliates, UA/NAU/ASU retirees, or dependents or spouses of UA/NAU/ASU employees/retirees. If yes, please indicate institution(s) of employment: □ Arizona Board of Regents □ Arizona State University □ Northern Arizona University □ University of Arizona Family member’s institutional e-mail: ______________________________

31. Which semester and year do you intend to enroll at UA? Select one:

[ ] Summer I 2021  [ ] Summer II 2021  [ ] Fall 2021  [ ] Spring 2022

32. Your intended University of Arizona college/major:

   a) Below indicate your preferred college and/or major from the list in the application booklet. (Refer to page 4 to make this selection.)
   
   Note: If you are interested in pre-law, pre-medicine, or pre-pharmacy. You may choose any major.
   
   b) First-year students, if you do not choose an undergraduate major or leave this section blank, UA will enter your intended major as Undecided within the A-Center. Transfer students cannot choose Undecided, but may select any other major on the list; please do not leave this section blank.
   
   c) Some majors require additional application materials and criteria for consideration. (See page 4 for descriptions.) For example, majors must be declared for students interested in pursuing programs in art, dance, media arts, music, and theatre arts. Applicants to College of Fine Art majors should visit (https://cfa.arizona.edu/students/admissions/) or call 520.621.1301 for additional application requirements.

High School Coursework

The University of Arizona is committed to providing you with an admissions decision as quickly as we can. To aid in our efforts, we request that you provide us with your core high school courses and grades. On the following page you will provide information for the six subject areas that are part of the 16 high school core competency coursework requirements: English, Math, Lab Science, Social Science, Second Language, and Fine Arts or Career & Technical Education (CTE). For more details on the 16 high school competency requirements refer to page 6. Only applicants offered admission, and who intend to enroll at the University of Arizona, will be required so submit their final official high school transcript with their graduation date displayed to verify the grades you reported on this application.

Indicate the coursework you have completed and grades you have received. Also list the courses you plan to complete during your senior year of high school. Include any college credit(s) you have completed or will complete by the time you graduate from high school. You must obtain a copy of your high school transcript and use it to complete the self-reported section of your application. Your self-reported grades should match those displayed on your transcript. For example, if your transcript only lists final grades, then you must report final grades, even if you know your semester grades. The official transcripts will be used to verify the information you self-report. If you provided inaccurate information, your admission may be revoked or your enrollment cancelled.

- You are required to indicate at least which courses you have in progress for any of these subject areas.
- If you provide us with each of the 16 high school core competency coursework requirements in this section, your admission decision will be based upon this information. You will not need to submit a transcript until after your graduation from high school. If your final high school transcript indicates that you do not meet the minimum standard for admission to the University of Arizona, your admission may be rescinded.
- If you only provide your senior year coursework or do not provide complete information in this section, you will need to send us an official transcript.
- If you fill out this section completely you will receive a faster admissions decision, and the self-reported grades you provide will replace official high school transcripts during the initial admission review process.

Key to filling out High School Coursework Table:

- Grade Level – What year in High School did you or will you complete this course? Options include: Pre-High School, 9th grade, 10th grade, 11th grade, 12th grade
- Course Rigor – Indicate whether the course is Modified, Standard, AP (Advanced Placement), IB (International Baccalaureate), Advanced/Accelerated, Honors, Dual Enrollment/College Credit, Remedial
- Grade – Please indicate the course grade (A, B, C, D, F) for the semester(s) in which you were enrolled in the course. If you are currently taking the course then mark it as IP (In-Progress) for each semester you will be enrolled in the course. If your high school utilizes a non-standard grading scale (such as numerical grades) or a non-standard semester schedule (such as trimester or block schedules) please see the FAQ page http://admissions.arizona.edu/faqs/freshman#srg
Please review the instructions on the previous page to fill out the form below.

The number of units/years required per subject are: English (4 years), Math (4 years), Lab Science (3 years), Social Science (2 years), Second Language (2 years), Fine Arts or Career and Technical Education (CTE) (1 year). Please include all courses in each subject with at least the number of required units/years. You can include more than the minimum of required units. If you did not take any courses in a subject then in the course title, write in the following: no courses taken.
